1. Stay in your Car and Arrive 10 mins early and text me, then wait for my phone call. Our lobby waiting area is temporary closed and locked at all times, as defined by the state requirements. Please be patient for me to call you as I may still be cleaning my room with hospital grade disinfectant prior to your service.
2. A mask with loops (no ties) around the ears must be worn at all times. No mask no entry – there are no exceptions unless there is a physician’s note stating that the client has a medical issue that does not allow the use of a mask and reasonable accommodation will be accessed in these rare cases.
3. I reserve the right to take your temperature upon arrival (99 degrees F and below required) This is a requirement from the State Board of Cosmetology of Massachusetts.
4. If you are not feeling well the morning of your appointment, PLEASE cancel and reschedule.
5. I request that you do not bring food, drinks, purses, jackets, or personal items. You may bring your phone, keys and way of payment that you can put in a Ziploc bag or I will provide one when you enter my suite. I prefer that we do not use cash or checks at this time.
6. No additional guests allowed – only 1 client is permitted in my suite at a time.
7. Please call me if at all you show symptoms in the next two weeks after your appointment.
8. I ask for your understanding that due to my small business being closed for 13 weeks and having to purchase the incredible amount of PPE combined with my ability to take only about half the clients I previously see, I will be charging a small Covid19 fee for all services temporarily.
