Ceremonies for all occasions

What is the Ceremony & MC Package

The most popular package, offering you my full services as your Celebrant along with full Master of Ceremonies duties for your Reception.

Yes, that's right you receive everything included in the Your Wedding Your Way Ceremony Package PLUS I will be your go to girl for as long as you need me into your reception – usually until the formalities are over.

This is your full ceremony as you dream it to be...this may be your Bells and whistles, no holding back, dedication of your love story and commitment to each other, witnessed by as many (or a little) guests as your hearts desire, or a more relaxed celebration including personal elements, wording and maybe a ritual or two.

This day is all about YOU and YOUR love story. Telling it the way YOU want to, whilst sharing it with the people YOU want to, followed by the reception of your dreams including all the elements, announcements, speeches, games and formalities You Want included!

No two weddings are ever the same and it is my role, plus, joy & passion, to create a personal and unique ceremony then reception run sheet for you making sure to incorporate any elements with meaning to you and your loved one. There are so many options, elements, readings, rituals, games, and announcements you can add into your day. The sky's your limit and the worlds your oyster, we can create the ceremony and reception of your dreams.

The Process

It's so important to choose a celebrant/MC you have a connection with, feel relaxed and at ease with. After all it is one of the biggest days of your life! Let's chat and see if we have a match!

We will then arrange our initial meeting where we will talk and learn about your plans and love story, complete the Notice of Intention to Marry, NOIM, answer all your questions, and giving you lots of things to go away and think about! I do like to allow 1.5 hours for this meeting so there is no rushing. Its best to include a coffee or even a wine in this meeting!

Please note The Notice of intention to marry, NOIM, requires one month before your ceremony, unless a shortening of time is granted.

I will then create the draft of your personalised ceremony and we can review, revisit and alter it as many times as we need until its perfect.

As we get closer we will meet or communicate in more detail about your MC requirements and I will craft and design any games/personal information and produce a personalised run sheet in lines with your other vendors.

We will arrange a rehearsal or final meeting before the day, this doesn't need to take place at your venue. It's a great way to help your wedding party understand when and where they are meant to be and also assists in calming any nerves. However please know I will guide you through every step of the ceremony on the big day, so a rehearsal is not essential.

Ceremonies for all occasions

I will be available to you as much, or as little, as you like in the lead up to your day. I am happy to advise, recommend or make suggestions as you require.

On the big day I will check in with you in the morning, then be at the venue in plenty of time to set up and be ready to welcome you and your guests before we start, easing any nerves as needed. I will check you have the rings, are in position, any buttonholes/corsages/flowers are in place, all ties, flies and jackets straight and dresses neat before we start! I will stay with you, assist and guide your guests, making all those important announcements until you hit that dance floor and your formalities are done and dusted. Leaving you to enjoy your day, stress free and then dance the night away!

I will deliver your day in the best way I can do and be there in anyway you need me till you hit that dance floor.
