Ceremonies for all occasions

What is a Marriage/Vow Renewal or commitment Ceremony.

A marriage renewal or commitment ceremony is a way to make a declaration of your love and commitment to each other and reaffirm and renew your love and vows to each other, in a non religious or legally binding way. It can be an intimate affair or shared with your friends and family - the choice is yours.

This is your ceremony as you dream it to be... this may be your Bells and whistles, no holding back, dedication of your love story and commitment to each other, witnessed by as many (or a little) guests as your hearts desire, or a more relaxed celebration including personal elements, wording and maybe a ritual or two.

This day is all about YOU and YOUR love story. Telling it the way YOU want to, whilst sharing it with the people YOU want to.

No two ceremonies are ever the same and it is my role, plus, joy & passion, to create a personal and unique ceremony for you making sure to incorporate any elements with meaning to you and your loved one. There are so many options, elements, readings and rituals you can add into your ceremony. The sky's your limit and the world's your oyster, we can create the ceremony of your dreams.

The Process

It's so important to choose a celebrant you have a connection with, feel relaxed and at ease with. After all it is one of the biggest days of your life! Let's chat and see if we have a match!

We will then arrange our initial meeting where we will talk and learn about your love story/relationship, answer all your questions and start talking plans, giving you lots of things to go away and think about! I do like to allow 1.5 hours for this meeting so there is no rushing. Its best to include a coffee or even a wine in this meeting!

I will then create the first draft of your personalised ceremony and we can review, revisit and alter it as many times as we need until its perfect.

We can arrange a rehearsal before the day for an additional charge, this doesn't need to take place at your venue. Its a great way to help your wedding party understand when and where they are meant to be and also assists in calming any nerves. However please know I will guide you through every step of the ceremony on the big day, so a rehearsal is not essential.

I will be available to you as much, or as little, as you like in the lead up to your day. I am happy to advise, recommend or make suggestions as you require.

On the big day I will check in with you in the morning, then be at the venue in plenty of time to set up and be ready to welcome you and your guests before we start, easing any nerves as needed. I will check you have the rings, are in position, any buttonholes/corsages/flowers are in place, all ties, flies and jackets straight and dresses neat before we start!
