Ceremonies for all occasions

What is the MC Package

The MC Package is my services as your full Master of Ceremonies for your Reception or any Event.

Yes that right I will be your go to girl for as long as you need me into your Event – usually until the formalities are over.

Your event should be the way YOU want it to be, whilst including all the elements, announcements, speeches, games and formalities You Want included!

No two events are ever the same and it is my role, plus, joy & passion, to create a personal and unique run sheet for you making sure to incorporate any elements with meaning to you and your guests. There are so many options, elements, speeches, dances, games, and announcements you can add into your event.

The sky's your limit and the world's your oyster, we can create the event of your dreams.

The Process

It's so important to choose an MC you have a connection with, feel relaxed and at ease with. After all they are the face/host of your event. Let's chat and see if we match!

We will then arrange our initial meeting where we will talk and learn about your event and ideas, answer all your questions and start talking plans, giving you lots of things to go away and think about! I do like to allow 1.5 hours for this meeting so there is no rushing. Its best to include a coffee or even a wine in this meeting!

I will then create the first draft of your personalised runsheet and we can review, revisit and alter it as many times as we need until its perfect.

We will arrange a final meeting before the day, this doesn't need to take place at your venue. Where we can iron out and finalise all details. I will then share the Runsheet with all other vendors and relevant parties to ensure the smooth running of Event.

I will be available to you as much, or as little, as you like in the lead up to your day. I am happy to advise, recommend or make suggestions as you require.

On the day I will check in with you in the morning, then be at the venue in plenty of time to set up and be ready to welcome your guests before we start.

I will be your Go to Girl and deliver all announcements is the best way I can do
