What is the Ceremony Celebrant & Set-up Package

An all-inclusive Ceremony Set-up styling & Celebrant Package. Let us take care of the Ceremony so you and your guests turn up on the day to a beautiful-looking space to enjoy your fully personalised ceremony.

Yes, that's right you receive everything included in the Your Wedding Your Way Full Ceremony Package, assistance with completing permit applications as required for public spaces PLUS Ceremony Styling Package by the fantastic Dallas from Sweet Bride of Mine. Which includes seating, for up to 20 guests, decorated Arbour, Signing tables and chairs, Aisle runner AND Personalised Welcome Sign. With Delivery setup and pack down.

This is your full ceremony as you dream it to be. This day is all about YOU and YOUR love story. Telling it the way YOU want to, whilst sharing it with the people YOU want to. No two weddings are ever the same and it is our role, plus, joy & passion, to create a personal and unique ceremony & set-up making sure to incorporate any elements with meaning to you and your loved one.

The Process

We will then arrange our initial meeting where we will talk and learn about your plans and love story, complete the Notice of Intention to Marry, NOIM, answer all your questions, and giving you lots of things to go away and think about! I do like to allow 1.5 hours for this meeting so there is no rushing. Its best to include a coffee or even a wine in this meeting!

During this meeting we can start the process for any park/beach permits required. Please note that application fee's are not included and you are responsible for payment of these directly to council.

I will then create the draft of your personalised ceremony and we can review, revisit and alter it as many times as we need until its perfect.

Please note The Notice of intention to marry, NOIM, requires one month before your ceremony, unless a shortening of time is granted.

As we get closer you will liaise with Dallas from Sweet Bride of Mine Styling to discuss and finalise your set up choices. You will have the opportunity to upgrade your styling options if you wish from the array they have on offer. Please note set up guidelines must be in line with permit restrictions.

We will arrange a rehearsal or final meeting before the day, this doesn't need to take place at your venue/location. It's a great way to help your wedding party understand when and where they are meant to be and also assists in calming any nerves. However please know I will guide you through every step of the ceremony on the big day, so a rehearsal is not essential.

We will be available to you as much, or as little, as you like in the lead up to your day and happy to advise, recommend or make suggestions as you require.

On the big day we will check in with you in the morning, then be at the venue in plenty of time to set up the ceremony and be ready to welcome you and your guests before we start, easing any nerves as needed. We will check you have the
