Introducing Odyssey... Manufactured in the heart of the UK Odyssey furniture is made for the bathroom environment. Gloss option front panels are manufactured using 18mm moisture resistant MDF. All other options are manufactured from MFC panels using

state-of-the-art PUR glued PVC edging to prevent any possible water ingress. The build quality and attention to manufacturing detail enables us to offer a lifetime guarantee against any manufacturing defects.

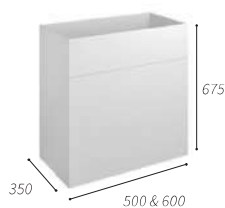

Follow these 3 easy steps, to create your dream fitted furniture layout:

1 Choose your door finish and unit sizes. **2** Choose your plinth & worktop. **3** Choose your handle. *It's as easy as that!*

| 1620mm | AB3794 | £437.00 |

Odyssey solid surface worktops are fabricated from high pressure laminate - and offer an ideal solution for the demands of the bathroom environment.

Featuring a 12mm slim design, they offer an ultra-matt texture. This, combined with square edges, presents an authentic slab-like appearance.

The ultra-matt texture hides fingerprints - so your bathroom looks spotless for longer.

The worktops are scratch resistant and completely waterproof - perfect for bathroom use.

High pressure laminate worktops are available 355mm deep, and in two lengths. They can be cut to size and edges polished if necessary.

There are four colour options - two with a black core, two with a white core.

illuminated mirrors

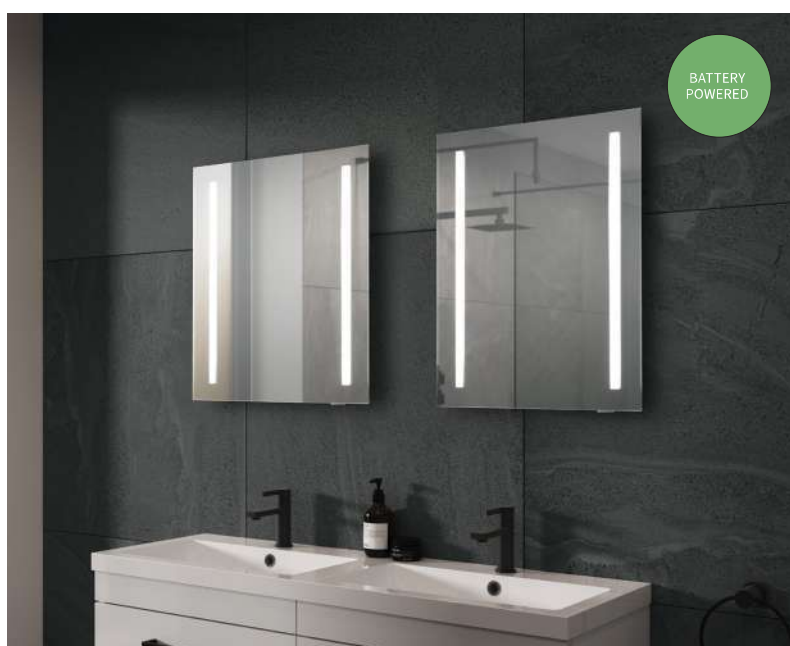

MIRRORS BY SENSIO

A mirror is an essential element in any bathroom as it is integral to the daily routine. Incorporate an illuminated mirror to provide the perfect lighting when getting ready in the morning whilst also making a design statement.

Capital illuminated LED mirrors come in various styles and with a wealth of integrated features. Alternatively, the range of mirrored cabinets are perfect for adding

style whilst maximising storage space. Whatever your needs, the collection is guaranteed to meet them. Choose from the latest features including touch sensors, colour changing LED technology and even enjoy your favourite music with the range of Audio Bluetooth™ mirrors. All Capital illuminated mirrors are IP44 rated and really do have a beauty of their own that can truly reflect your individual style and enhance any bathroom design.

Irana Simple installation

A compact and efficient, battery powered LED mirror. The Isla Plus provides a stunning retrofit solution for rental spaces and under-stair rest rooms with electrician required to install.
