# Introducing the **NEW Acrylic Collection**

Available from 6<sup>th</sup> April

Acrylic

With **14 expressive new designs**, a new refined  **matt surface** finish and improved fitting support, including **installation kit and guides** to ensure a flawless, professional finish every time.

The Acrylic Collection achieves stunning glass-like walls that bring digital imagery to life, ensuring maximum visual impact in your space.

## WHAT'S NEW

### **Brand NEW matt finish**

Introducing our NEW smooth matt finish, in four standout designs. This refined surface finish reduces glare, enhances depth, and delivers a soft touch feel, making these decors ideal for feature walls where visual impact and surface quality are key.

### **Installation Support**

Our new installation guide and panel fitting kit improve installation consistency, reduces errors, and ensures every panel performs exactly as designed — delivering a finish customers can rely on. Visit [www.showerwall.co.uk/how-to-install-showerwall](http://www.showerwall.co.uk/how-to-install-showerwall) to find out more.

### **Co-ordinating Acrylic Panels**

New plain tones balance statement designs, reflecting current trends and offering full coordination across the Showerwall range. Alternatively, choose a bold contrast or a complementary palette - acrylic panels can be printed in any colour, used as stand-alone walls or paired with Acrylic or Laminate designs, see page 19 for details.

# THE MAJESTIC COLLECTION

Trend inspired decors, delivered on our 100% waterproof coreboard, Hydrocore.

The Majestic Collection is a distinctively luxurious approach to a sophisticated and effortlessly chic bathroom.

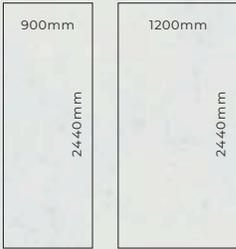

Hydrocore

Hydrocore is exclusive to the Majestic Collection and provides a completely waterproof foundation for the collection's striking designs.

Square Cut Panels

Proclick Panels

Hydrocore - our waterproof coreboard, available exclusively across the Majestic Collection. Crafted from high-performance polyurethane, Hydrocore resists impact, moisture and mould. Its lightweight design ensures effortless handling, while providing a 100% waterproof platform for the collection's stunning decors.

Hydrocore is built on the principles of a circular economy, where materials are continuously reused and never become waste. It is manufactured using pre-consumer polyurethane waste and production offcuts, transforming discarded resources into valuable products.

Trims are not required for the Majestic Collection to achieve a watertight installation, however trims are advised to neatly cover exposed edges.

# THE ARCADE COLLECTION

The Arcade Collection delivers a slatted-effect design with the functionality of panels.

Create seamless feature walls effortlessly. These pattern-match panels feature a simple black shadow line, creating depth & rhythm to otherwise flat walls.

To achieve a watertight finish, trims must be fitted to all outer edges and corners when installing Arcade panels. Trims are available in a range of colours to coordinate seamlessly with metallic accents.
