

Be a Champion for the Arts in Pleasure Island **Become a Sponsor!**

The Island Arts Council will offer you outstanding visibility and sponsor benefits. Your logo/name will appear on promotional materials, social media, and onsite displays, reaching our large tourist population and locally growing community (not forgetting a huge shout-out during presentations/events thanking you). You will benefit with an opportunity to connect and engage directly with potential clients while supporting our island's vibrant arts community. Your sponsorship can make an impact and encourage community artists and economic development through the arts.

Help us, please, to facilitate the growth of our community into a regional arts destination!
