Replacing Your Roof Is a Big Decision — Atlas Makes It Easy

With Atlas Pinnacle® Pristine shingles you get the total package – unmatched protection against harsh weather and high winds, distinctive curb appeal and long-lasting beauty, all backed by one of the industry’s best warranties.

Peace of Mind

Don't worry. We've got you covered with the Atlas Lifetime Limited Warranty**, ensuring your investment is protected for years to come.

Wind Protection

Let those winds howl. Because of our innovative HP42® shingle technology, your roof is shielded from wind gusts up to 130 mph.

High-Performance

HP42® technology features a wide format for better curb appeal, plus our Sweet Spot™ nailing area and double FASTAC® sealant line ensure your shingles will stay put.

Lasting Beauty

Your roof will stay beautiful because it features Scotchgard™ Protector by 3M, which resists black streaks and stains caused by algae.

To provide homeowners the most accurate representation of color options, several photo scans and house shots were utilized in numerous lighting conditions. Variations in lighting illustrate the color gradients on asphalt shingle roofs.

Color blends vary from shingle to shingle. Before installation, consult with your contractor and request to view the actual shingles being installed on your roof to ensure confidence in your final color selection.

The Problem

Over time, shingles without proper protection can develop unsightly black streaks caused by blue-green algae.

The Solution

Atlas shingles featuring Scotchgard™ Protector fight algae and unsightly black streaks, keeping your roof looking newer, longer.

Life Is Messy — Your Roof Shouldn't Be

Your home is the biggest purchase you'll ever make, and the roof is the crowning touch. Choose Pinnacle® Pristine shingles with Scotchgard™ Protector by 3M to ensure your roof stays beautiful for years to come.
