# TERMS & CONDITIONS

## MIXING DOGS FROM DIFFERENT HOUSEHOLDS

At Dachshunds Daycare, we offer an 'exclusive' service: we deliberately choose to look after a small number of additional dogs so that we can give them the same care and attention we give our own.

- ♥ For dog walking and pet checks, we are happy to care for dachshunds and a variety of small dog breeds\*. No more than **four** dogs per person will be walked together at any one time.
- ♥ Our daycare and boarding services are provided for dachshunds\*\*. No more than **four** customer dachshunds will be accommodated together at any one time, typically **one** or **two**.

\* You decide if you wish your dog/s to be walked solo, with Frankie & Benji, with other dachshunds and/or small dogs

\*\* Small dog/s with dachshund/s from the same household are welcome to board if no other dachshunds are in our care

In offering these services, there may be times when we are asked to look after dachshunds from more than one household at a time in addition to our own two resident dogs, Frankie and Benji. We will always do a trial visit and/or familiarisation session before taking on any new customers for dog walking, pet checks, day care or boarding. However, for insurance purposes, you must give your consent below before we are able to accept your dog to our care:

**I understand that my dog/s will be walked with Dachshund Daycare's resident dogs, Frankie and Benjie, and give my full permission for them to mix together**

**I understand that my dog/s will be walked with other customer dogs from multiple other households and give my full permission for them to mix together**

**I confirm that before commissioning Dachshunds Daycare, my pet/s underwent a trial visit and/or familiarisation session\*\*\* and that I am happy to proceed with their services**

*\*\*\*The only exception may be referrals from The Sausage Dog Hotel (SDH) & only dogs with proven good behaviour & socialisation confirmed by SDH will be accepted without a trial visit*

## VACCINATIONS

At Dachshunds Daycare, we are aware that some owners choose not to give their dogs the traditional annual or bi-annual vaccinations. We are happy to accommodate such dogs, providing we are shown proof that they have been titer-tested and have the necessary levels of antibodies.

**I understand that my dog/s may possibly be in daycare/boarded and walked together with guest dogs who choose titer-testing as an alternative to traditional vaccinations, and give my full permission for them to mix together**

## PAYMENT

**I understand that I must pay for all services in advance using bank transfer or cash**

**I understand that I must give at least 2 weeks' notice of cancellation and that I will be charged 100% for 'no shows'**

## PET TRAVEL

In the event of an emergency, we may need to transport your pet by car. For variety and to keep walks entertaining for the dogs in our care, at times, we may also transport your dog to alternative locations\*.

*\* We will notify you in advance of our plans to travel to an alternative location for dog walks*

We use the Pet Safe Solvit On Seat Car Booster For Dogs, which has been purposefully designed to prioritise pet safety. The on seat car booster features a rigid internal structure and integrates with the vehicle's seatbelts for maximum security, with the strength-rated safety tether having been tested to 900 kg. This is accompanied by the Solvit Deluxe Safety Harnesses, made from strong and durable material, which have also been independently crash tested and are one of the safest dog harnesses available in the UK.

If there is a specific reason you need your dog to travel using an alternative method, you must discuss this with us prior to the commencement of our services and provide an alternative option, such as their own crate/harness or carrier. For the safety of all dogs and humans, no dogs will be allowed to travel without some kind of restraint.

**I understand that my dogs may be transported in the manner and for the purposes described above by Dachshund Daycare and give my full permission for such travel**

## PHOTO & VIDEO RELEASE

We would love to post pictures and videos of the pets in our care on our website, social media and/or in advertising.

You acknowledge and accept that during the provision of any of our services, we may take photographs and/or make audio or other media recordings in which your dog/s may appear. You consent to us (and any person authorised by us) to copy or reproduce such material (whether by photo, film or other digital, electronic or printed media) as we may in our sole discretion determine, for the purpose of marketing and promoting our services without acknowledgment to you and without entitlement by you to any remuneration or compensation now or in the future. We agree not to use the material in a manner that may be deemed adverse or defamatory to you. We further agree that your personal details (including your name) will not be used in the featured material without your express consent. If for any reason, you do not wish for your pet's photography to be displayed publicly, please make this clear to us prior to the commencement of services. All photos remain our copyright.

**I understand that my dog/s may be photographed and filmed by Dachshunds Daycare and give my full permission for such activity**

# CONFIRMATION OF ACCEPTANCE:

## LIABILITY

While every effort is taken by Dachshunds Daycare to keep all dogs safe, happy and entertained, of course, there are sometimes factors beyond our control, and accidents can happen.

In the unlikely event that your dog/s become/s injured or unwell while in our care, and we deem a visit to a vet is required, we will take your dog/s to our nominated veterinary practice in Burton Latimer (Healers Veterinary Centre) OR the closest vet if needed, and contact you and/or your emergency contact to make you/them aware of the situation. As the owner, you assume all costs incurred that fall outside either your or our insurance coverage.

If your dog/s are responsible for any injury to another dog, animal or person while either at home with us (if your dog is in our boarding care) or in a public place, you accept financial liability for injury to the third party, if the incident is deemed to have been caused by your dog/s. In the event of any dispute as to blame, our decision will be final.

**I hereby confirm that I am the owner of the above named pet/s and that I authorise Kathryn Jones/Dachshunds Daycare to act as guardian during my absence and to take any action which she considers suitable in order to protect and keep in good health the above named pet/s**

**I understand and accept that Dachshunds Daycare is not responsible for loss, damage, or destruction of any items left with my dog/s**

**I understand that my dog/s may be separated from other dogs, at the discretion of Dachshunds Daycare, if it is deemed to be in the best interests of the dogs**

**Additionally, I confirm that:**

- **My dog/s have been treated for worms and fleas**
- **A vaccination or Titre Test certificate has been presented to Dachshunds Daycare**
- **I understand Dachshunds Daycare has relied on my representation of my dog/s health and that any pre-existing health concerns or known allergies have been disclosed and discussed**
- **I also understand that there is no licensed vet on site and that Dachshunds Daycare may not be able to detect or diagnose a medical condition in my dog/s**
- **I have disclosed any known dangers associated with my dog/s and understand that if there is a history of aggression or biting Dachshunds Daycare reserves the right to refuse entry to my dog/s and, furthermore, that any future behaviour deemed dangerous or inappropriate by Dachshunds Daycare may result in the instant dismissal of my dog/s.**

By signing this agreement, I agree to accept liability as outlined within this booking form, and confirm that I have read and accept the terms and conditions of Dachshunds Daycare in the attached sheet. I also understand that no liability will be attached to Kathryn Jones or Dachshunds Daycare.
