Pompeii and Amalfi Coast

[Click here for details](#)

With so many amazing sites around Italy to visit it can be difficult to decide how to spend your time. With this Pompeii, Amalfi Coast, and Positano day trip you can mark three sites off your list that are so incredible and awe-inspiring they are also UNESCO World Heritage sites.

Your enthusiastic tour guide, who will be with you throughout your journey, will meet you in the center of Rome at the start of the day. You will be escorted aboard a comfortable, air-conditioned minibus where you can sit back and relax as you escape the chaos of the Eternal City.

When you arrive in Pompeii our Skip-the-Line tickets to the ancient site will be much appreciated as you breeze past the long lines and enter into this time capsule of the ancient Roman world. Here you will meet your local, expert, English speaking guide who knows all the hidden corners and interesting tales that are waiting to be discovered inside. Visit the marvelously preserved ancient villas, public baths, restaurants, theatres, and maybe even a brothel, of the ancient world as the past comes to life through the insights and stories of your enthusiastic guide.

After some free time for a few last pictures and lunch the tour will continue further south along the picturesque seaside roads of the Amalfi Coast - where the Dolce Vita was born. Here your breath will be taken away by the spectacular coastlines as the mountains cascade into the sea and romantic villages climb up the mountains like grapevines.

The winding roads will lead you to one of the most beautiful seaside villages that the Amalfi Coast has to offer, Positano. Here you will have free time to explore the meandering streets lined with artisanal local shops or just sit back and enjoy the incredible view while sipping the local specialty, limoncello! Whichever you choose you will be sure to remember your afternoon in this jewel of a seaside village.

From the magical ancient city of Pompeii to the incredible natural landscape of the Amalfi Coast this day trip out of Rome is one that is sure to satisfy everyone!

Florence walking tour

- Skip-the-line access at the Accademia & Uffizi Galleries
- Marvel at Michelangelo's David in person on a guided tour
- See masterpieces by Botticelli, Da Vinci, Raphael & more
- Discover the history of Il Duomo, symbol of Florence
- Learn about Florentine history & culture from expert guide

With so much incredible art, history, and architecture, seeing all that Florence has to offer can be a challenge. We take the trouble out of your visit by covering the best parts of Florence in a half day with an expert, English-speaking guide to lead you around the city

Our half-day Florence tours include a walking tour of the historical center, covering all the must-see outdoor sights. We'll admire the iconic Ponte Vecchio bridge where colorful jewelry stores line the cobbled street. We'll visit the leather market and rub the nose of Il Porcellino for good luck. Your expert guide will lead you around Piazza Signoria where you'll hear the stories behind the beautiful sculptures and see the place where Michelangelo's 'David' once stood.

We'll also take some time to visit the crown jewel of Florence, Il Duomo, from outside. Known for its huge red dome (visible from all over the city), Florence Cathedral is a sight to behold.

The entrance to the Duomo is free and you can visit independently if you wish, as the guide provided you with a full explanation of its inside and outside features.

The Accademia Gallery is our next stop for one of Florence's many show-stoppers. Skip the long lines here with a pre-reserved entry time and prepare to be amazed. Housed in a bright open space beneath a roof that had to be raised to accommodate him, is Michelangelo's great sculptural masterpiece, 'David'. Your guide will help you admire him from every angle, explaining the techniques that Michelangelo used to make marble look as soft as butter.

In keeping with our promise to see all of Florence in a few hours, we'll take a break and then regroup, energized for the final leg of our day. Skip the Line Access at the Uffizi Gallery saves us hours wasted in line to enter instantly. Navigating this immense gallery would take days, so we've crafted the perfect route to visit all the highlights of the Uffizi collection and a few lesser-known gems. Your guide will introduce you to works by Giotto, Leonardo da Vinci, Botticelli, Perugino, Michelangelo, Titian, and Vasari to name a few, before you venture on your own for the visit.

Whether you're stopping in Florence for a day, or plan to use it as a base from which to explore Tuscany, this tour will paint the perfect portrait of its unique art, architecture, and history, ensuring that you leave an aficionado of all of the above!
