

Hello, I'm

Jordan Roche

CHRISTIAN MODEL,
PODCAST HOST &
WORSHIP LEADER

My Mission:

I always felt very spiritual but was lost & seeking with a blind faith. I tried finding my identity in other people, different hair colors, and cannabis. I didn't have a sense of direction or Godly guidance in my life. It wasn't until He spoke to me, audibly & through the bible, that my life was changed, eternally. He saved me from getting stranded in the desert with a flat tire and I never looked back. Now I live my life following the Holy Spirit, promoting modest fashion & Christian music all while building His Kingdom through The BTLfield Podcast and being the light to the lost! Praise Jesus!
