

Punishment Scenario

This is a scenario I posed to a member of my pottymouthmfer yahoo group, reposted here for your viewing enjoyment. I was Mikey.

My name is Mikey. You are my father, older brother or friend and you ask me to do you a favor. I am not interested. I say Mikey: "Go F yourself and do it yourself because I am not ur b*tch. You then tell me to stop talking like that or else and I tell you what the f'k are you gonna do about u cant do sh*t to me ur a little b*tch.

Master CJ's response: You ARE asking for it aren't you?! Well, I'd take you right to the kitchen sink, grab the liquid dish soap, stick it in your mouth and squeeze. DON'T you DARE let any of it slip out. Then my hand goes over your full mouth and my fingers pinch your nose until you swallow the soap. Only then will I let you breathe.

Mikey: "Is that all you've got? I just let out a plethora of words that would make even a sailor blush. Don't think the punishment fits the crime. You can do better than that. Can't you? Bring it on b*itch."

Master CJ's response: Oh Mikey. that was just the appetizer. Now I'm going to take you into the bathroom and open up a brand new bar of Camay soap. I know you're not supposed to mix your soaps but I'm going to make an exception for you. I'm going to make you strip to your boxers and then get you down on your knees in front of the sink. I'll grab a clean washcloth and get it wet along with the soap. I'm going to lather the washcloth up real good and then shove it in your mouth. I'll get every little nook and cranny nice and clean. I'll have you blowing bubbles by the time I'm through with you. Then I'll take it out and resoap it and shove it back in and make you bite down to keep it in. Then it's over my knee with you and your butt is going to be spanked a nice color of red. After that, it's back to the sink where I'll take out the washcloth. I'll rewet the soap and shove that into your mouth. Then I'll make you chew and chew and chew.

Chew until you swallow it. ALL of it. Then it's a new bar of pink Camay soap to be opened up, wet and lathered, and shoved into your mouth. Bite down you bad boy, and leave it in your mouth until I say. Don't spit it out our I'll make you eat that one as well. Don't take it out. Don't let it fall out. You already know the "Or Else". Then it's into the corner with you for an hour. I might just decide to whack your butt a few more times while you're in the corner. I might use your fraternity paddle this time. I like to see nice red butts on bad boys like you. I also like to see'em blowing plenty of bubbles.

After your hour is up, that soap should be nice and soft. It's in and out scraping your teeth until I can't see them anymore. Then, AND ONLY THEN, will I take out the soap and hand you a toothbrush. Get scrubbing! With Lots and Lots of water! You're going to be foaming at the mouth. Be careful with me now or I'll make you swallow all that foam. Behave and I'll allow you to spit and rinse only once. Then it's bed time where I'm going to whoop your butt even more. Bad boys like you should always go to bed with a stinging red butt and a soapy taste in their mouth. Just remember one thing, Mikey. I'm Half Man, Half Woman, 100% Cast Iron Bitch - AND DON'T YOU EVER FORGET IT!!!
