

The Cocktail Party Part 2

(By: SoapyLisa)

We could tell by the nice bulge in his pants that Robert was happy to have walked in on this situation!

Sandy slid out from under me and grabbed the nearest towel to cover herself, which was not much because of her voluptuous size. I thought this was an odd thing to do in front of her husband.....

I went over and ripped the towel from Sandy.... standing there side by side I turned towards her.... pulling her to face me... I pressed my body up against hers and kissed her mouth.... licking her lips and tasting my juices on her mouth was making me hot all over again... totally ignoring Robert I bent and took both of her huge tits in my hands, lifting them up and squeezing them together I began to suck on both nipples at the same time..... softly biting them, flicking them....

Sandy was giving in, I felt her body relax and felt her thrust her tits further out..... I sucked her tit in my mouth as far as I could.... being totally engrossed on sucking these huge fat titties.... feeling her fingers gliding through my hair..... I stood and took my tits in my hand, she took the cue and did the same.... we then rubbed out erect nipples together..... wetting mine from her just freshly sucked ones....

Robert was unzipping his pants and removing his very nice cock, just letting it hang as he stood there watching..... I told Sandy that since Bill was not worried about me yet that I would like to wash her... she smiled... I went over and filled the tub with warm water, adding some jasmine bubble bath..... she stepped into the filled tub and sat down.... I stepped in and sat facing her..... Looking at Robert I told him to hand me a wash rag from the wall cupboard..... he fumbled around for a bit then came over with a rag...

I told him to sit on the side of the tub and if he wanted to stay he could not touch himself.... he just shook his head.... I soaped up the wash rag and slowly ran it over Sandy's delicious juicy tits..... telling her to stand..... I washed her legs starting from the bottom and working my way up..... I used the soapy rag and slide it in between her legs..... rubbing it back and forth against her clit, getting it nice wet and soapy....

She stood there wet and soapy..... bubbles dripping down off her erect nipples..... I got the sprayer and told her to lay down against the back of the tub..... As she laid back I put her legs up on either side of the tub.....

Turning the shower head on pulsating I put her hands on her pussy "Sandy, spread you lips for me" As she spread those big plump lips I held the shower head a few inches from her pussy and watched as the water danced against her lips..... she slide down a

bit and lifted her ass up... I watched as she moved in this position how her pussy hole opened up.....

I took the head and pressed it against her gapping pussy hole.... she thrust forward more..... I held the head tight against her, watching in fascination as I was filling her cunt with warm water..... I laid down the shower head and placed my mouth on her still soapy cunt..... pulling on her arm... she slowly stood, with my mouth tight against her love hole, I was slowly sucking at her creamy hole, I felt all that warm water I sprayed inside her drain from her soapy gooey cunt and into my mouth..... drinking the soapy water from her pussy.

Robert touched my hair.... sliding his hands down to my full breasts.... sitting up I moved towards him, arching my back his mouth fastened onto my nipple and he sucked like a hungry baby. Sandy stood there stroking her slit as she watched her husband sucking a tit of another women for the first time. I stood up and got out of the tub.....

Straddling Robert I slowly eased my pussy down until I felt the head of his throbbing cock..... I slowly teased it..... letting it slide in an inch and fucking that inch like the slut I am! Robert was groaning and trying to push me farther down his hard shaft..... I waited until I seen Sandy was watching closely then I impaled my wet cunt on Robert's Hard cock, taking his whole cock inside me, I started riding it..... while moving my hips back and forth..... he turned his head and took one of Sandy's huge nipples in his mouth as I sucked the other as I sat impaled on her husbands cock....

Robert was sucking hard on Sandy's nipples as I squeezed and sucked at his cock with my pussy he turned and looked at me..... grabbing my hips and pulling me off of his cock.... Standing up he turned me around and pushed me to the floor..... I landed hard on my knees..... he grabbed Sandy by the arm and jerked her over in front of me..... "LIE DOWN" Sandy laid down in front of me, I slide between her legs and sucked at her glistening pussy, this was one plump pussy I couldn't get enough of.....

I then felt Robert without warning pushing the head of his cock against my asshole.... I wiggled on the tip of his cock, wanting him to invade me, needing to feel my tight asshole fucked, I buried my face into Sandy's pussy and felt her shudder as her sweet juices filled my mouth again and felt the burning stretch as Robert got past the impossible ring of tightness..... as Bill called it! Robert's cock filled my asshole up nicely..... pumping it slowly in and out..... feeling every bump, every ridge, every inch..... I lapped up Sandy's cum and licked at her pussy hole..... as I pushed my asshole on Robert's cock.....

I spread Sandy wide and pushed her big fuckable ass up..... resting her meaty ass cheeks on my hands Telling her to spread her ass cheeks, I poked at her tight asshole with my tongue, hearing her moan out loud, I circled her anus with my tongue..... flicking over her puckered hole..... spreading her ass with her hands I pushed my tongue into her ass..... licking and sucking her little asshole as Robert grabbed my hips

and Pounded my ass hard three more times before blowing his hot cum deep into my ass.....

I pushed my tongue farther into Sandy's puckered hole..... tongue fucking this hot little bitch..... Using my finger I rubbed her clit, I wanted to taste her sweet cunt juices again..... Robert Surprised me.... he was into Felching!!! I never met a man into Felching..... to my Pleasurable Surprise Robert got on his back..... pulling my hips so I sat on his face..... and he licked and sucked out all the cum he just shoot in my ass !! I couldn't handle this anymore and just as my finger touched my clit for relief, my body shook uncontrollably as I screamed and came for the umpteenth time..... as I felt the sensation of Robert's tongue acting as a spoon and eating his own cum from my ass..... I leaned forward and laid on the cool floor totally spent.....

Closing my eyes which only seemed like a second only to awake in bed dressed in a sheer nightie, covered, and laying next to Bill.... Bill leaned over and kissed my forehead.....

"Did you have fun dear?"

I nodded "Well I guess so..... Robert said you and Sandy snuck a bottle of whiskey into the bathroom and gossiped all night, then passed out" I nodded yes dear it was fun and fell asleep.
