

## Introduction

Hello, my name is [Your Name], and I'm calling from [Your City/State]. I am deeply concerned about the prosecution of Chavis Willis and the destruction of his family business, Granny's Helpful Hands.

## Key Talking Points (supporters can read or summarize):

1. This case represents a double standard in justice.
  - NUWAY Alliance settled an \$18.5 million fraud case with no criminal charges.
  - Granny's Helpful Hands faces criminal prosecution over administrative disputes.
2. The timing of the raid—just 30 days before an \$11 million sale—suggests political motivation and targeted harm to a Black-owned business.
3. The case lacks probable cause, and criminal charges are not supported by the evidence.

## Call to Action

I am urging Attorney General Ellison to:

- Dismiss the charges against Chavis Willis immediately, and
- Ensure fairness and equal treatment under Minnesota law.

## Closing

Thank you for your time. Please let Attorney General Ellison know that the public is watching, and we expect justice—not selective prosecution.
