

Local Peace Initiatives program on 3rd Sept 2022 at Conference Hall, ZBCCNEI Chiuluan Tamenglong

The program began at 10 am with a opening remark by Mr. Haichitui Daime, Field worker followed by a prayer by Rev. Adui Newme, the Chief Functionary of the organization. The topics were selected on the choice and opinions of the participants based on the common issues of the society. Some of the subjects discussed were; Vision casting and strengthening Civil Service Organization for peace initiatives, economy sustainability, individual roles and responsibilities in strengthening community, to keep Civil Service Organization above political influences. For the convenience and systematic study of the subjects we used the study tools of SWOT (strength, Weakness, opportunity, threats) and conflict tree analysis. The program was participated from different walks of life, most of the participants are social leaders, educator, youth leaders, NGO workers and politicians. The session is more into open discussions since majority of the participants were intellectuals.

The first session was facilitated by Mr. Adau, Program coordinator. The second session was facilitated by Mrs. Samyile, Lecturer in EMRS Tamenglong. To our observation we have seen the keen and active participation from every participant. Further, the participants requested us to conduct such program considering the convenience of time in days to come. The program ended with a mass spoken prayer at 4:30 pm. Food and refreshment were served to all the participants.
