

How Can You Help?

-You can help by giving us contact information to keep you informed of future events. We especially have lost contact with many Claysburg-Kimmel alumni and would like to keep you up to date on our community's events and progress on the Foundation as we move forward.

-Please fill out the enclosed card to give us up to date information on you. There is no obligation on your part. Also, if you do not want to receive any correspondence from us, simply check the box requesting no mailings.

-You can help by making donations of your time when we have events.

-You can help with your donations in any amount from \$1 to any larger amount including lifetime endowments, etc. We are a 501-C-3 tax exempt organization.

-You may mail a check to the address below or you may go on-line to our website and use your credit card to make a donation. You may call any board member with any questions or concerns that you have about the Claysburg Education Foundation. We look forward to hearing from you.

**“Working Smarter by working
together and dedicated to supporting,
enhancing and promoting quality
education opportunities for students
and residents.”**

What Is the Claysburg Education Foundation?

Foundations raise funds and support students, teachers and others in the education field. Ours is associated with the Claysburg, PA area.

Essentially there are no restrictions on who can be involved. Any resident of Greenfield and Kimmel Township, alumni of Claysburg-Kimmel Schools and others with an interest in the Claysburg-Kimmel education system who can contribute positively to the organization are welcomed to volunteer.

This Foundation was founded and is organized for the betterment of children's education as well as adult education.

While the money part of this Foundation will be important, the valuable time donated by the people involved with the Foundation will be vitally important whether they are involved with the Foundation to raise money or by donating time working with students or programs to benefit students.

Volunteering

We cannot stress enough that the donation of people's time for Foundation events, mentoring, tutoring, career planning and many other areas of time involvement with students, faculty and others will be the most important aspect.

Vision of the Claysburg Education Foundation?

The vision of the Foundation is to award funds to benefit students for the purpose of improving their education. It is to award funds to outstanding teachers to purchase education needs for their classrooms such as small supplies or tools needed not covered by the school district, and to award funds for the betterment of education at Claysburg-Kimmel or other institutions such as our local Claysburg Public Library and programs such as pre-kindergarten like "Learning at the Library" and others as determined by the Foundation's selection committee and approved by the board.
