

## PROFESSIONAL ATTRIBUTES

Communicates effectively in many mediums whether that be by email, verbally, on the phone, or with body language.

Has an active interest in learning new skills, and a willingness to pass that knowledge on to others.

Adept at creatively approaching conflict with positive results.

Works equally well with colleagues and clients in a variety of roles and in different circumstances.

Succeeds in challenging environments and can adapt to new concepts and procedures quickly.

Thrives within boundaries and changing priorities and effectively manages workloads to meet deadlines.

## INTERESTS

Photography, painting, old school painted signage, gardening (vegetable and flower), wood working and pen making (for real ... it's a thing)

## FUN FACTOID:

When Trevor was in the Landscape Gardener Apprenticeship Program at Olds College, he learned how to speak a little latin.
