Rector's Ramblings

For where two or three are gathered in my name, there am I among them."
Matthew 18:20

Dear Friends,

Welcome to the May edition of our Church & Community Magazine. I love the month of May. Two bank holidays is always a blessing and it's our wedding anniversary phew! But I especially love May because for the last eight years (except during the pandemic), St Mary's has taken a group of young people from Newick & Chailey to the Diocese of Chichester Youth Festival called 'May Camp.' This event is held each year at Plumpton Racecourse over the second Bank Holiday. In our first year we took six young people, this year we are taking 32 and one of those original six will be up on stage the whole weekend as a May Camp Leader. In fact this will be the third year that one of our young people has been on the main stage in a leadership role, which is a great reflection on our rural youth.

May Camp brings together hundreds of young people from across the Chichester Diocese for a bank holiday

weekend of worship, teaching, discipleship, sports, games, music and more!

This year we're exploring what it means to go on a journey of faith,

looking deeper into what it's like to love our neighbour, in the context of the Christian faith. We've got a line-up of inspiring talks, a range of interactive seminars, and space to experience and engage in worship and prayer in different and exciting ways.

Here are what two of our May Campers from 2023 have said:

May Camper 1: I go to May Camp because it gives me a chance to build core memories with my friends as I have over the last couple years I have been going ; it's not just the big things either that build the memories; it's the times where we'd all come together in the evening when we didn't want to go to sleep so we'd sit around in the marquee with hot chocolates warming our hands, all of us talking about the randomness of things. It was great to be so silent yet so much was happening. It's the laying out in the campsite trying to catch the last warm

Rector's Ramblings - *continued*

breeze of the evening before the sun set and being able to see the heat rising on the horizon when we were lucky enough to have a heatwave that weekend.

I love the community - how everyone makes you feel welcome and as though you've known them your whole life. I love how it feels when we all gather into the main marquee for morning worship, and evening worship when the songs start to play and even if you don't know all the lyrics it feels like you do (and you definitely do by the end of the weekend). The certain dances and things that go with just the one song that you pick up along the way are always such a memorable things. It's all very enlightening and freeing in a sense.

All the activities in the day fill up your weekend you barely even notice that it's happened. There are so many things to do, although I think my top three, I've done across the years has been archery, spray painting and the inflatable obstacle course that I could race for hours on with my friends. The football tournament has to be up there too, and especially the disco at the end of the weekend, that's the thing that I look forward to the whole time.

It's so incredible how such a few days can create such huge memories and strong connections that really make you feel so happy and connected to everything again.

The first year I went with my friend we felt so at home and enjoyed it so much that the two of us have both continued coming every year (for the last 3). It's a weekend we look forward to all year round, we have brought friends along too, who I think would agree with us that it is such a life fulfilling experience. This is why I think May camp brings me so much joy.

May Camper 2:

I have been to May Camp twice and I am going again for the third time this year.

This camping trip is such a brilliant weekend away. I get to spend time with friends and meet new people. I especially love this trip as I have made so many good friends.

The activities they provide are great fun. We tried spray painting graffiti, axe throwing, an inflatable obstacle course, as well as the disco on the last night, which is always the best part as everyone has the best time and doesn't stop dancing.

Paul's cooking is amazing, there is always SO much cake and the tuck shop is full of sweets. It feels like one big family, everyone is so welcoming and friendly.

Rector's Ramblings - *continued*

We couldn't take a group to May Camp if it wasn't for your support and generosity, and our amazing Youth Worker Lee Buck (He is the one in the middle) and our awesome team of volunteers.

As I wrote in the April magazine, at the end of 2023 we asked for your help in funding our Families and Youth Work at St Mary's and St Peter's, and I thanked you for the donations. I've been asked by some of you for a bit more information. Our Youth Appeal for 2023 came to over £15,000 from across the two church communities. This goes a long way to enabling us to carry on our Youth Work, which costs us between £32,000 - £40,000 each year. This is solely funded from our Church giving and a Church Mission Fund grant which finishes this year. We currently employ a part time Youth Worker, and we are recruiting for a Families worker this month, again a part time position as budget allows.

Through your continued support we can continue our work with Chailey & Newick young people through our youth clubs, school mentoring and families work, and we hope to be taking many more groups to May Camp in the years to come,

As Jesus said "For where two or three are gathered in my name, there am I among them."

You can find a link to May Camp to see how much fun we have and you might recognise some faces too.
<https://youtu.be/fq7psNlrW-I>
<https://www.maycamp.org/>

Have a great month, be joyful, keep the faith and keep doing the little things that make a difference to those you love and those in need.

Rosamund Bartlett: The Culture of Ukraine

At any time, this would be a wonderful lecture, but in the present situation it must surely be very poignant. Rosamund will tell us how art and architecture have evolved in this now shattered country. Many cultures have, over the centuries, influenced Ukrainian art even today. Secret codes in ancient embroidery, Cossack dancing even the national dish of Borsch, all have had their say!

Rosamund is a cultural historian, author and translator. She has written biographies of Tolstoy, Chekhov, Wagner and a translation of my favourite book, Anna Karenina. She has also contributed regularly to the BBC Proms and opera broadcasts.

We are in the Civic Hall Uckfield, parking is free and the lecture will start promptly at 2.30. The cost is £7 but if you are interested in joining, please contact me. We look forward to welcoming you to what I know will be a most colourful and musical experience.

Chailey Windmill

The Mill and Rural Life Museum opened its doors for the first time on Sunday 28th April - going forward we will now be open from 3pm-5pm, on the last Sunday of every month until September.

National Mills Day takes place on Sunday 12th May and the Mill will be open in celebration between 3-5pm.

Last year we were able to welcome over 200 visitors to this fabulous piece of local history. We hope to welcome many more this year. Admission is free but donations are welcome to help support this historic landmark building.

Quick fire question that can be answered on your visit:

In 1935 how much would a cartload of litter cut from the meadow in front of the Mill have cost you?

Answer: to be found on the first floor, clue - look at the photos!

We hope to see you at our wonderful local landmark soon. For more information please look at our Facebook page: @ChaileyWindmill

Honey Bees

Very soon, hives of bees will be getting crowded, and the bees may decide half of them will leave- taking their queen - and look for a new home.

Yes A SWARM. They are not dangerous, just go indoors and enjoy the spectacle!

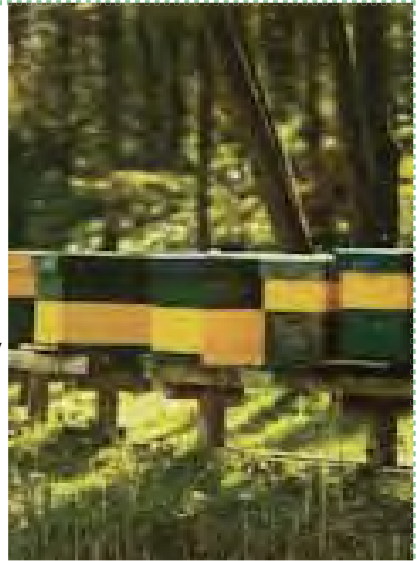

Leave them to settle, call me and I will come and remove them - giving them a new safe home.

I don't charge (though you may get a 20 minute talk on how wonderful bees are whilst I wait for them to settle)

I am teaching new people to keep bees so these swarms are lovely for them to begin their exciting hobby.

Thank you

Newick Good Neighbours – can you help us?

We are a small group of friendly volunteers set up in 2020. We mainly offer transport for local residents who are in need of lifts to medical appointments, dentist, hairdresser, supermarket etc.

Our volunteers are DBS checked and insured and can be paid mileage for journeys undertaken to help cover their expenses.

Our service is well used and we are urgently in need of more volunteers to help us to meet the growing demand.

If you are a driver with your own vehicle and some free time to help out please contact Heather on 07933 096033 for more information about what is involved.

Local News – Royal Mail Update

Maria Caulfield MP

Many of you will be aware of issues with Royal Mail letter deliveries over the past few months. I have heard from many concerned residents about delays which have had a severe impact on people, including missed medical appointments and prescriptions.

I am keen to hear from residents if this is improving as I am picking up that in some parts of the constituency a good service is returning but in others it is still very hit and miss. I have met with local posties regularly and been to the Lewes sorting office to see first hand the pressures they are under. Before Christmas staff were not being replaced to cover sickness or leave and vans were being taken away from routine walk routes. I met with local managers to raise concerns from residents and to ask them to urgently look at the situation of staffing and resources.

When things did not improve after Christmas, as a group of Sussex MPs we met in Parliament with senior representatives from Royal Mail so we could discuss the continuing local issues with the service.

Since then Royal Mail have confirmed that they have ended their recruitment freeze and so more posties are now working in each area so residents should start seeing improvements. They have also started hiring more vans so that posties, particularly in rural parts, should again notice the difference.

Since this meeting a few weeks ago there do seem to have been improvements in the service with most areas in the constituency seeming to have returned to a normal service.

I would encourage anyone who is still experiencing issues with their post to please report it to me at maria.caulfield.mp@parliament.uk so that I can make sure Royal Mail are aware of the situation and can rectify it.

Summer Art Exhibition 1st June 2024

Uckfield Art Group's Summer Exhibition is on Saturday 1st June. Doors open 10am - 4pm. Visitors will be able to enjoy a varied mixture of styles and medium including Acrylic, Watercolour, Pencil and Coloured Pencil. The Theme Corner this time will be Collage from the French meaning "To Glue".

Collage describes a technique of composing an art work by glueing a wide range of materials including pieces of paper, fabric, newspaper clippings or ready-made objects to a surface. I find I am looking at pictures in magazines and newspapers differently now - noticing colour tone and texture and have been tearing out a collection ready to use. Apparently a constant tearing sound when you are trying to read is VERY annoying!! A few members have been dreaming about Collage and it has been their first waking thought so please come along and see what has been created and make it all worthwhile!

Delicious home-made refreshments will be on offer once again as will the "Have a Go Table" and a chance to chat to the "Artists In Action". Vote for your favourite picture and the Artist with the most votes will win a Trophy to keep until the 16th November Exhibition (date for the diary)!

Thank you everyone who has chosen to support Uckfield Art Group while playing the Wealden Community Lottery. The latest amount received from a 50% donation from ticket sales was £321.00. There is a top prize of £25,000! www.wealdencommunitylottery.co.uk

SNIPPETS OF NEWICK HISTORY BY ANTIQUARIUS

The 19th century fair on the green

In the 19th century, an annual fair was held on Newick village green, trading cattle, horses, sheep and other livestock. It also attracted pedlars (itinerant traders) and others looking to sell or buy. Other activities on the day included gamblers with their pea and thimble trick (1832), soldiers looking for new recruits (1836) and the Fletching brass band enlivening the proceedings in 1884. The event also included a visiting amusement fair with roundabouts, swings, shooting galleries and coconut alleys. Here are two incidents reported in the newspapers.

In April 1828 an intoxicated fellow named Twigg caused some disturbance by furiously riding up and down in a careless manner on a horse which he was seeking to sell. He collided violently with a cow, not only breaking the horn of the animal but also injuring himself. He was insensible for some time before he recovered himself.

The newspaper in May 1848 provides an amusing description of an incident occurring at the end of the day's event by the Bull Inn (then called the Bull and Butcher Inn). A policeman was assaulted by a drunken Mr Richardson who was '*a comical looking little fellow, with a very red nose bearing evident traces of modern blows and ancient brandy...attired in a smock frock, smeared in one or two places with blood*'. Mr Richardson upon being asked by the policeman to leave the Inn '*resisted and struck the policeman on his cheek with his fist...the policeman being almost as big and strong enough to eat poor Richardson took him out and laid him on the ground..*' Richardson returned, but this time, as delicately described in the newspaper, he had to be handled a bit more roughly, resulting in '*...a melancholy termination to his festivities at Newick fair..*'

In court, Richardson was fined 20 shillings but as the payment was not forthcoming he served 14 days in prison.

In time, over the latter part of the 19th century, the livestock fair on the green gradually ceased and it was just the amusement fair that continued.

Newick Country Market

The market is held on Saturday mornings between 9 am and 11 am at 40 The Rough, Newick. Why don't you pop along and find us under our gazebo come rain or shine.

Every week we have homemade cakes and savoury bakes, including pies, quiches and sausage rolls available as well as eggs, preserves and a variety of plants in season.

Orders can be placed for any baked items, including gluten free, which can be collected the following Saturday. We have a card reader if customers wish to use this method of payment.

If you haven't done so yet do come and see us.

For further information about our meetings contact Linda on 722689.

Introducing NEASSA

NEASSA, the Newick Emergency & Armed Services Support Association, was founded in late 2018 following the closure of the Royal British Legion Newick Branch, which had done some great work locally, supporting ex-service personnel.

So how could we build on that work? We decided not to try and create a direct replacement, but to offer a slightly wider scope to also support our local emergency services. Our emergency services have, increasingly, had to deal with major incidents ranging from the Shoreham air disaster to terrorist attacks and the pandemic.

NEASSA was created with a vision:

To provide public commemoration of those who have died and provide help, advice and support for personnel and their families, who are currently serving or have left the British Armed Forces or UK Emergency Services in Newick and the surrounding neighbourhood.

We meet on the first Monday of the month to discuss how, as a community, Newick can fundraise and offer pastoral support to provide:

- Recognition
- Recovery
- Resource
- Remembrance

Everyone is welcome to join NEASSA, there is no joining fee or subscription, all you need are ideas, enthusiasm and a bit of free time.

80th Anniversary of D-Day and the Normandy Landings

On 6th June this year the UK will commemorate the 80th anniversary of the Normandy Landings with a series of major commemorations and events across the UK and in France.

The Battle of Normandy (Operation Overlord), the Allied operation that began the liberation of France, and the rest of Western Europe, and laid the foundations of the Allied victory on the Western Front

began with D-Day. The term D-Day and H-Hour are used for the day and hour on which a combat attack or operation is to be initiated. Operation Overlord was launched on 6 June 1944 with the Normandy landings, best known as D-Day (although the code name was actually Operation Neptune). D-Day consisted of an amphibious assault involving more than 6,900 naval vessels in an assault on five Normandy beachheads: Utah, Omaha, Gold, Juno, and Sword – the largest seaborne invasion in history. This was followed by an 11,500 aircraft airborne assault resulting in 160,000 troops crossing the English Channel on 6 June, building up to more than two million Allied troops operating in France by the end of August.

NEASSA will be helping the village commemorate the anniversary. Check our NEASSA.org for details.

Newick Parish Council Update

Parish Council Update from Councillor Melanie Thew from meeting on Monday 8th April 2024

The key points discussed were as follows -

PLANNING

The Councillors reviewed 4 planning applications – it was agreed to 'object' to 1 (89 Allington Road, the reasons given as over development of site, drainage problems and parking issues); make 'no comment' on 2 (Streeters Farm & Ridge House); and to 'support' 1 (Tanglewood Farm - as the PC wishes to support expansion of local business, in line with our Neighbourhood Plan).

The Councillors discussed the consultation that is currently running regarding the Wealden District Council's Local Plan. (deadline for comments is 10th May 2024) This also includes proposals for the Ashdown Business Park extension at Maresfield. Whilst this area is not in the Parish of Newick, the increase of traffic on the main A272 could affect us. It was agreed to prepare a letter of objection.

If you would like to know more about the Wealden (Regulation 18) Local Plan consultation, or to submit a comment, go to www.wealden.gov.uk and search for Local Plan on their consultation portal.

FINANCE

One grant application had been received – from Newick Primary School to support a new project 'Hedgehogs R Us'. This is a national programme that has been designed to educate about Hedgehog Conservation and to help in the battle to prevent the extinction of this endangered species. The aim is to create hedgehog highways to enable them to more easily forage for food and meet other hedgehogs. The application for £150 was approved unanimously.

ENVIRONMENT & RECREATION

Cllr Thew gave an update on the progress of the Sports Pavilion project to the Council. George Pottinger, Project Manager, had attended the Annual Parish Meeting on 20th March and had presented the latest draft plans for the refurbishment of the building, which had been well received by the 50 Parishioners present. Representatives of the sports clubs who regularly use the pavilion are taking part in a meeting on 9th April to make further comments and participate in discussions to move this project forward.
