Rector's Ramblings

'Let every person be subject to the governing authorities. for there is no authority except from God...'

Romans 13:1

Dear Friends,

Welcome to our July edition of St Mary's Newick's Church & Community Magazine.

As we move towards the big day this month, the Bishops of the Church of England have issued a call to put prayer and participation at the heart of the General Election as the UK goes to the polls.

Back at the end of May, and speaking after the Prime Minister Rishi Sunak announced he was seeking a dissolution of Parliament ahead of an election on 4 July, Archbishops Justin Welby and Stephen Cottrell urged people to set aside time amid the heat of the campaign to reflect and pray for our nation and our world. They also issued a plea for everyone to put good grace and a commitment to truth and integrity at the heart of the campaign.

Well, Election Day will soon be upon us, and I will leave it up to each of you to discern whether 'grace, truth & integrity' have been at the centre of the discussions over the past weeks? One truth I do know, is that the freedom to vote is a precious commodity in today's world, and we have a duty to honour that freedom of which so many are being denied.

Archbishops Justin and Stephen said: *"The coming General Election is a critical moment in the life of our nation, which will shape our future by electing those who will make decisions affecting generations to come. It is a time for us all – people of all faiths and of none - to ask important questions about what kind of country we want to be. We are facing epic challenges both in our country and our world: from questions of war and peace to poverty and injustice and very future of the Earth God has given us."*

Rector's Ramblings - *continued*

For those of us with a faith, when faced with such huge questions, our instinct is to turn to God in prayer. We trust that prayer is at the very heart of this Election, and that no matter how big the issues at stake are, this time should be marked by respect for one another, for good grace and a commitment to truth and integrity, above all else.

As the Archbishop's said *"It is our prayer that, even in the heat of the debate, we will treat each other with respect and kindness"*.

In every election, there will be winners and losers, with the winners usually having the loudest voice. However, the most difficult aspect of good government will come in the months ahead, when putting the policies into practice with honesty and integrity may prove more of a challenge than a slick six-week election campaign.

Our writings from Paul's letter to the Romans reminds us that a 'perfect' government exists only in the imagination, and our absolute obedience to any elected government is neither a wise nor safe use of our freedom to vote. But we can give thanks for the dedication of all who stand for public office in service of our communities – often at great personal cost - and those who support the process. We must remember they are but mere mortals, just like you and me, fallible human beings who will make good and bad decisions throughout their lives and have families and loved ones who see the sacrifice of public service far more than we will.

So, may our thoughts and our prayers be centred with compassion for all those in government and in opposition, holding the words of the Lord's prayers *'Your kingdom come, your will be done, on earth as it is in heaven'*.

May God's will be done in our nation and in God's World.

Have a great month, be joyful, keep the faith and keep doing the little things that make a difference to those you love and those in need.

Rev Paul x

We do not have any lectures in July and August but we have a very exciting new season, starting in September, planned for you.

How about a trip to Leighton House to see the wonderful collection of Art there? Or perhaps you could be interested in shopping on the Rialto in Renaissance Venice? However if you really want to travel in style then you can go back in time to the golden age of the transatlantic Liner, when these were floating, luxury hotels, for the very rich.

Our lectures are in the Civic Hall Uckfield on the second Wednesday of each month except for July and August. If you want to become a member please contact me for more information. We are a friendly group and would love to welcome you. Meantime enjoy the rest of the summer.

Summer Exhibition - The Results!

Thank you if you were one of the two hundred and thirty five visitors who supported Uckfield Art Group's Summer Exhibition on 1st June. The artist with the most votes for a single image and the winner of the Tom Broad Trophy was Samantha Bromley. Sam gained twelve votes for "White Horse Study". In Joint Second with ten votes were Samantha Bromley "Fluffy Birman Cat", Sharon Saunders with "Harmonious Music" and Fiona Flower with "Sprinkled With Fairy Dust". In Third Place with nine votes was Michael Raho's "Morning Light". As you can see it was very close!

There was a huge range of delicious home made cakes and savouries and even sandwiches this time. Quite a few people enjoyed them so much they asked for some to be wrapped to take home too!

Children had fun on the "Have A Go Table" and proudly took their creations home with them! Lots of sales were made regarding art, cards and items from the craft stalls. All in all it was deemed a great success. The next opportunity to see what the art group has been up to will be at the Autumn Exhibition on Saturday 16th November so please put the date in your diary and a reminder on your Mobile phone!!

Thank you for choosing to support Uckfield Art Group when you play the Wealden Community Lottery. At the time of writing the group has received £366 from fifty percent of ticket sales. There is a top prize of twenty five thousand pounds! www.wealdencommunitylottery.co.uk

Why Sports Matter for Profoundly Disabled People

For most of us, playing sports is a normal part of life. It's a chance to challenge ourselves physically, experience the thrill of competition, or simply enjoy the camaraderie of being part of a team. But for people with profound disabilities, these opportunities can often feel out of reach.

At The Bevern Trust, we work hard at breaking down those barriers. We're passionate about ensuring that our residents can participate in the everyday, normal activities that many of us take for granted. This includes the chance to participate in sporting activities and be part of the local community.

Thanks to the generosity of organisations like Sport England and local clubs such as the Lewes Rotary, we can provide a variety of sports experiences for our residents. From slalom skiing like JP to horse riding, and even roller skating, we open doors to a world of possibilities. Watching sports (like wrestling or cheering on a football team) also creates excitement and has a profound impact on confidence and wellbeing.

By supporting our programme, you're helping us break down barriers and show that profoundly disabled people can experience the joy and benefits of sports. Imagine the smile on Ciaron's face as he speeds around the track, or the thrill Jonathan and Amy feel sailing across the water. These experiences matter.

Bevern View is a purpose-built residential home in Barcombe providing life-long care for 11 young adults with profound disabilities.

Thank you for your support

Newick Good Neighbours – can you help us?

We are a small group of friendly volunteers set up in 2020. We mainly offer transport for local residents who are in need of lifts to medical appointments, dentist, hairdresser, supermarket etc.

Our volunteers are DBS checked and insured and can be paid mileage for journeys undertaken to help cover their expenses.

Our service is well used and we are urgently in need of more volunteers to help us to meet the growing demand.

LADY VERNON EDUCATIONAL TRUST

Founded on 1st January 1771 to provide schooling for the girls of the village, The Lady Vernon (Newick) Educational Foundation has grown over the last 250 years to become an established Newick institution there to help the young (both girls and boys) of our village in respect of educational related needs.

Help has included assistance to groups such as schools and youth associations with the costs of trips, specific projects and materials, and also individuals with specific needs or opportunities which may enhance their life choices.

We believe that Lady Vernon would have been delighted that her initial gift is still benefiting the young of Newick some 250 years later, and strongly hope that this fund can continue for a further 250 years.

Should you wish to consider leaving a bequest to benefit the youngsters of our village may we ask you to consider including "The Lady Vernon (Newick) Educational Foundation" as a beneficiary of your Will. Charity Number 306410

The Chailey Windmill is open from 3pm-5pm on the last Sunday of every month from April until September. We look forward to welcoming you to our wonderful mill and our rural life museum. It's free to enter, though donations are always welcome. Any donations are used to help us maintain our windmill.

This past month the windmill has been a hive of activity! For those who pass by regularly, you are likely to have noticed that the fantail, damaged last year has now been repaired and is back in situ. The fantail is the smaller sail arrangement attached to the back of the cap. As the wind changes direction the fantail will rotate. This rotates the cap until the sails are once again facing the wind. The Chailey Windmill fantail was damaged by high winds last Winter. We are delighted that Paul Kemp, a Millwright, has been able to repair the damage. The fantail was lifted into place on Thursday 6th June; this was no easy task involving specialised equipment such as a crane and an aerial lifting platform. It took time to get the fantail in place but as you will now see when you visit, it is back where it belongs in all its glory!

See our Facebook page for photos of this momentous event.

In other news, we've been lucky enough to have welcomed over 50 of our local Chailey & Newick Rainbows and Brownies to the windmill, with both groups visiting the windmill to listen to a talk on the history of the mill and having a chance to explore the mill and look at the local artefacts. The visits were made extra special as some of the girls took their 'Promises' at the Mill at the end of their visit.

Chailey Windmill is available for community activities, and we welcome contact from local groups that would like to arrange a visit. Please email gailwickens75@gmail.com

**We hope to see you at our wonderful local landmark soon.

June - 2024

Summer term is finally in full force here at Newick school, and we are on the field every day now after a very wet and soggy Spring.

Our Polytunnel saga continues, with our newest addition to the 5* Approved Royal Horticultural Society Garden waiting patiently to be erected. Just a digger, a whacker-plate and a few volunteers required to get this up and running! If anyone would like to help us get our new tunnel up and functioning please speak to Jenny Smerdon or the school office.

Our Otters class enjoyed a wonderful day out at Middle Farm last term, and got to play in the hay bales, pet the animals and experience a day on a working farm. They have also grown their own vegetables and herbs in their veggie bed, kindly donated by our fantastic PTFA. They cooked some tasty veggie treats and sampled the delights of their kitchen which I can confirm were 'delicious.'

Year 1 have visited the Bluebell Railway this term, and are very excited to go on their walk soon to the old Newick and Chailey Railway Station. Huge thank you to Malcolm and Marian Johnson for enabling this trip, and wonderful local piece of history to be experienced.

Year 2 recently completed their Great Fire of London unit of work which culminated in the building of and then setting fire to Tudor houses. Mr Barnes was on hand to supervise our Great Fire re-enactment.

Year 3 have been learning all about Volcanos as part of their Geography unit of work, they read the book Escape From Pompeii, and in D.T. created lever-based exploding volcanoes! They have also used fantastic sewing skills to perfect some teddy togas, as further demonstration of their Roman learning.

Year 4 enjoyed Forest School last time down in the woods. This was a fabulous opportunity for some outdoor learning, as well as teamwork, collaboration and turn taking. This stands them

in great stead for their exciting Cuckmere Haven water sports trip coming up very soon!

Year 5 have been to the Brighton Museum as part of their learning about Ancient Egypt. They particularly enjoyed the mummification workshop, and the roleplaying of various Egyptian figures from history.

Year 6 shone recently with their hard work and efforts in their SATs end of Key Stage 2 assessments. They worked so hard all week. Their focus is now very much on their exciting end of year KS2 production, and their upcoming residential to PGL Windmill Hill.

The PTFA have been hard at work as always raising funds for enriching projects at Newick. The children really enjoyed the very popular Colour Run which took place in June.

We are currently looking for a new Clerk to form part of our Local Governing Board. If you think you could help support our wonderful school by fulfilling this role do email our School Business Manager Mrs Dobson on ldobson@newickschool.co.uk, or call the office on 01825 723377 to find out more. You can find a list of any upcoming vacancies here: <https://www.newickschool.co.uk/Vacancies-21062022095511/>

SNIPPETS OF NEWICK HISTORY BY ANTIQUARIUS

The 'turnpike' road through Newick

The current main road through Newick village was a toll road or 'turnpike' between 1771 and 1866, part of the nineteen mile-long east to west route from 'Hodges' near Hadlow Down, through Buxted, Maresfield, Newick and Scaynes Hill to Cuckfield. The appointed trustees were responsible for repairing and widening the road and for creating the necessary toll gates. Prior to this, the route had been recognised as being *'in a ruinous condition and in several places narrow and dangerous, so as to be impassable for carriages in winter and very incommodious for travellers at all seasons'*.

The old tollgate cottage where the fees were collected still remains just by the village green, although it has been extended since those days.

An 1847 book 'Pictures of Country Life' by Thomas Miller includes a chapter on 'Country Toll-Gates' providing a charming description of the character of turnpike routes *'...the huge broad-wheeled wagon with its six horses and merry faces peeping out from the arch of the tilt...rumbling slowly along.. .then come the gypsies with their children swinging and singing in the panniers, the youngest stowed away at its mother's back and squalling lustily in the hood of her cloak...tents are ready to be erected at a moment's notice...the camp kettle plays a merry tune on the saucepan that swings beside it under the cart and they go on jingling together from village to village.. .They cheat the toll-keeper and laugh in his face...away they go, laughing and chanting ...what a current of human life rushes through that toll-gate...ever along the road are little bits of moving pastoral life – a shepherd lad driving his sheep to the*

next market to sell; a rosy-cheeked milk-maid fetching up her cows which every now and then pause to low through some gate, or bite off a tender shoot from the hedges; the farmer man, sitting sideways on one of his horses, returning from his field-work, the whip resting upon his shoulder and the measured music of the rattling harness joined with his own voice, as he trolls forth some rustic ditty...!

Prince Harry of Newick (Sussex)

2015 – 2024

Harry, the renowned Maine Coon cat, familiar to so many of you, sadly lost the last of his 9 lives on June 3rd.

There was a certain inevitability about his tragic demise. He was killed (instantly I believe), on Church Road in Newick. This was one of his favourite perambulations, and he would saunter along, stopping to snooze, sometimes on the road tarmac, particularly in warm weather.

No longer will we be greeted at the Church, the tennis club, the recreation ground or the numerous front gardens he chose to honour with his presence.

No longer will he chill out beside newly dug graves in the Church yard, only to fall in during the burial ceremony.

No longer will we rejoice at his soft purr when he eats or is stroked, or indeed his gentle smile.

No longer will his impressive body be stretched out on the most comfortable bed or chair.

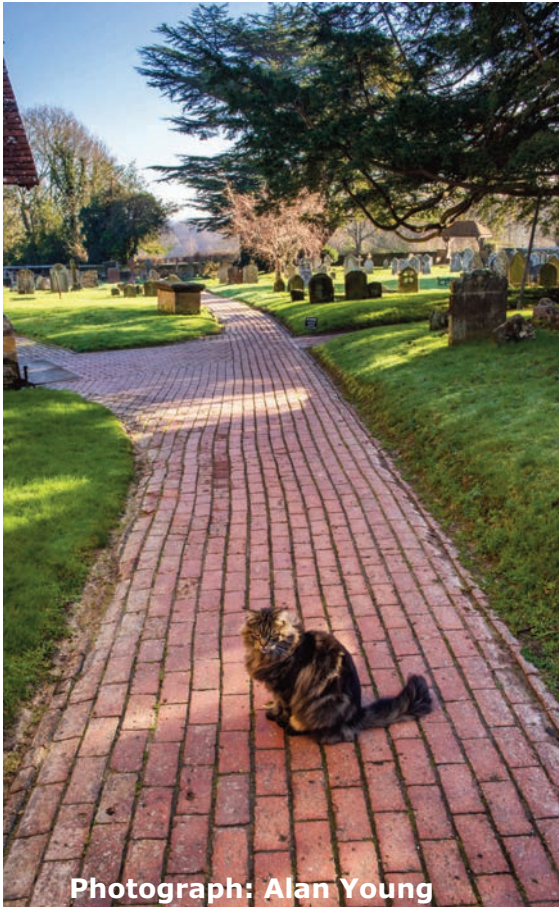

No longer will his large frame, well in excess of one metre from nose to tail, block the threshold of the most frequented doorway in the house.

No longer will there be dried food scattered all over the floor in his quest to find the tastiest nugget.

We will miss his charismatic, yet sociable character and his free spirit. Modesty was a word he did not recognize, and he exhibited a regal air; but like a true monarch, he was friendly and forthcoming, particularly if there was food close at hand.

Newick has lost an icon, and I have lost a friend who enriched my life. I am so very grateful that our paths crossed.

Thank you so very much, dear Harry.

Photograph: Alan Young

Yet again, I must make a plea for moderating the speed of traffic in our village. I have personally known of 2 cats and 1 dog, killed on Church Road within 50 yards of the turning towards the Church, within the last year.

Children regularly walk and cycle to and from the recreation ground and the tennis club and there is a play school in Church Road as well.

Surely it is now time for a village wide 20mph speed limit?

Newick Parish Council Update

Update from Councillor Sippetts:

The June Parish Council meeting covered the following:

Playground – following meetings and site inspections, specialist contractors are being appointed to repair and replace the worn & damaged areas of soft-play surface. This will take 2/3 days of closure and we will advise of dates (avoiding school holidays!) in due course.

Parking – poor and inconsiderate parking prevails in the village despite our actions to date. The extent of dangerous parking is a safety issue. We are advising Sussex Police of this, to apply their safety responsibilities and enforce the Highway Code.

Grant application – from our local Girl Guiding group Lewes Windmill Rangers to support attendance at the August international adventure event was approved.
Happy travels!

Lewes Planning – in the last month we learned that the Secretary of State has placed the district Council in so called 'special measures' (Section 62A of the Town and Country Planning Act). Key powers in determining 'major' planning applications have been removed and adopted by central Government. What this means in practice is not straightforward to determine as the legislation is new and as far as we can see, there are few precedents.

Skate park – a number of small cracks have appeared on the surface of the ramps and the blue areas have discoloured with weathering. The company that built the skate park have agreed to inspect the site, treat the cracks, repair the render and to see what can be done about the colour fading.

Minutes of this meeting will be posted on the Parish website in due course at <https://newickparishcouncil.gov.uk/parish-council/agendas-and-minutes>

In May, the Chair of Newick Parish Council, Councillor Armitage stepped down as Chair after five years of service. Councillor Brian Hodge (who was previously Vice Chair and has in the past been Chair for Planning) was elected Chair for the full Council. The Parish Councillors thanked Councillor Chris Armitage his service as Chair, Councillor Armitage was elected as Vice Chair.

We pray for those who are
