## A HEARTY THANK YOU TO SHARON! A HEARTY WELCOME TO JANELLE!

Sharon Hershey (L) has been Life Awakening's Bookkeeper for four years. Four months ago, she gave notice that she would be retiring May 31 from the bookkeeping position. God undertook and Janelle Beitzel (R), who has been a friend of Life Awakening for many years, stepped up with her bookkeeping experience and is taking Sharon's position.

We have deeply appreciated Sharon's dedication to the position. She, herself, is excited to enter into the realm of retirement although she has been leading more ladies through the *Gospel Process* and is enjoying it very much. She is also editing our revised *Awakened to Life Within* and would like your prayers about this assignment. She is remaining on the Board as Treasurer.

Janelle says, "I am excited to assume this position, and to contribute, in a small way, to LA's ministry. I have been blessed to find that the *Gospel Process* is really, really helpful in everyday life – learning to walk above our circumstances in the victory that Christ has provided for us. I look forward to more people learning this *Process* so they can walk in victory and share their journey with others."

Thank you, Sharon, and welcome, Janelle!

## ***MUSINGS FROM THE DEVELOPMENT DIRECTOR***

By Miriam Remington

The *Gospel Process* is transitioning into a three-module presentation. **First**, is our *Lifestyle Seminar*, which will teach people how to apply the Gospel in one's daily life for **victory**. **Second**, is our *ATLW Application Guide*, which requires a small group of people to meet weekly for about three months. Weekly, each person will read a chapter in *Awakened to Life Within* on their own, complete the *ATLW Application Guide* that corresponds with each chapter and then meet with the group to discuss their answers in the *Application Guide*. **Third**, is our *Gospel Process Training* which teaches how to take a person through the *Gospel Process* for **freedom** and **healing** from sin and pain. This *Gospel Process* has changed many people from way down, deep within, in a few minutes. Linda has spent endless hours developing and fine-tuning these modules. Pray as I am working to get this three-module presentation out to people! And, Jacqui Sensenig and I are working on developing children's material.

### ***FROM THE DIRECTOR'S DESK:***

I attest to watching the *Gospel Process* GROW in power! I sit and watch people get *freedom* by “*putting off the old*” and *healing* by “*putting on the new*” that Paul instructs us to do. Sometimes I can hardly contain my excitement as I watch the power of the Gospel give immediate and lasting freedom and healing. Over the last ten years, God has been developing and fine-tuning this *Process*. It really is so simple...*Embrace, Die, Bury, Rise!* A lady recently chuckled, right in the middle of our prayers, and said “this is so simple!” Chuckling back, I said, “I know!” Unfortunately, even Christian psychology and psychiatry seem to have complicated people's issues of sin and pain. Often, there is ignorance concerning “what” to do with the Gospel and “how” to apply it! The *Gospel Process*, however, answers those questions and teaches a pathway to freedom, healing and victory through the finished work of Christ.

The *Gospel Process* “cleans people up” so that they have the ability to then grow in godly character and integrity. In doing that, one can then operate more freely and powerfully in his giftings. **I believe everyone needs to understand and apply the *Gospel Process* because everyone deals with sin and pain, on some level.** I am very eager for our revised *Awakened to Life Within* book to be available for purchase so you can learn the theology and principles of the *Gospel Process*. Blessings to you! -- Linda S. Ingham
