GOSPEL PROCESS TESTIMONY

By Dave

Becca and Dave

During my freshman year in college, which was 25 years ago, some upperclassmen pulled a bad prank on me. Through a coordinated series of events in one evening, they caused me to believe that my dorm room was demon possessed. The worst of the prank occurred when an alleged demonic voice blared over the speakers of my stereo. The moment that happened, I fled from the room. When I reached the guys in the next room, my body shut down. I was literally scared to death, had an asthma attack, my vision and hearing diminished and I passed out.

This event had a profound effect on me for years to come. I never slept in that room again. I went from being a heavy sleeper to one who would wake up easily at the slightest of sounds. I was afraid of the dark and required a great deal of white noise to sleep. I never received any help and the school did nothing to assist me. I buried it and never dealt with my fear. I figured it was just something in the past.

Last year I was introduced to the *Gospel Process*. I met with Linda and a mutual friend one evening and we went back through the events of that painful, scary night. As she went through the *Process* with me, wherein I literally applied the Gospel of Jesus Christ, I felt Jesus moving in me. Wow! Those 25 years of deep seeded fear simply, quietly and quickly vanished!

Since then I have been sleeping more soundly and I wake up less. I can even take a nap on the couch with my kids around. I, and even my wife, Becca, are very thankful for my time with Linda. I will be forever grateful for the *Gospel Process* because it rid me of that pain I took in 25 years ago!

MUSINGS FROM THE DEVELOPMENT DIRECTOR

By Miriam Remington

Have you ever completed a project(s) thinking that when you talk about that project, there would be a *period* but, instead, it requires a *comma*? Life's seasons often have *commas*, not *periods*, don't they? LA has certainly had its seasons. The season of preparing to spread the Gospel through the *Gospel Process* has had a whole lot of commas. But in those commas, a strong, potent and passionate foundation is being built. Sharon is finishing the editing of *Awakened to Life Within*. Once completed, all that Linda and I have been writing/editing, i.e., materials and brochures, will be ready to be launched. Yes, in every comma, God is doing a new thing, an exciting thing, all of which is building a more solid foundation of the *Gospel Process*. I am beginning to understand how God works more in the *commas* of life than in the *periods*. This is a very exciting season for us as we are seeing God move in ways we never imagined. God is making all things new and we cannot wait to share them with you at our April 26, 2019, Annual Dinner. Mark your calendar!

FROM THE DIRECTOR'S DESK: Have you ever been unable to express the glorious value or effect of something that you deeply cherish and love? For me, it is the "*blood of Jesus Christ*." You see, because Jesus' blood has no sin, imbalance, damage or defilement in it or attached to it, it is pure. Its purity makes it powerful. In fact, it is so powerful that, because it was shed according to God's requirement, it can declare people *forgiven* and *justified* when standing before Him. Why? Because, when invited, the singular drops of Jesus' very blood *cleanse* and *release* people from sin, thereafter placing them in the position of having no sin marked against them. Even under the Old Covenant, the blood of the unblemished lamb, placed on the doorposts, thwarted the death angel from exterminating the Israelites. So, blood even *protects and gives life* because blood is life.

As we declare *Jesus' blood*, during what we now call *Declaration Ministry Sessions*, *it's pure power reaches deep down inside a person and brings quick and lasting freedom, healing and peace to the deep, dark and troubled places where one has been trapped, wounded and damaged through being sinned against or personal sin. I cannot put words to what I see happen.* I sit speechless. No words can be said by me to assign the proper value and worth to Jesus' pure and powerful blood. But after I am escorted into my eternity, I will be able to express its worth and value, face to face, to Jesus, Himself. When we stand on the Gospel of Jesus Christ, as applied through the *Gospel Process*, we know it is the blood of Jesus Christ that gives the Gospel its life-changing power. Amazing! -- Linda
