Director of Training's Corner

Andrea P. Holder

In my new role as Director of Training, I want to get the word out about the ongoing trainings we offer for those seeking deeper freedom, healing, and the abundant life promised by the Gospel! It gives us great joy to be spreading the Gospel and its power to heal!

That Split Second is offered as four two-hour classes one time a week focused on personal development, specifically avoiding in the first place, getting stuck in sin and pain

Become a Champion, Part One: The Mindset and Mechanics is two back to back full days of immersion training that begins to equip people who want to learn to be champions of the Gospel Process (GP), God's unique and effective model for inner healing.

Become a Champion, Part Two: The Mess is a full day of training focused on the nitty gritty of how, as a champion of the GP, one navigates the "mess" that happens in people's lives when sin and pain enter in.

The Workout is a six-month program designed for those who want to become certified champions of the GP. It involves studying testimonies and case examples, going through the GP personally to receive first-hand experience of the freedom and healing, practicing the GP on your own with friends/family, and then with a coach present, shadowing a current champion of the GP and more.

You may sign up for trainings as offered or you may work with us to set up a training for yourself and a group of people.

Director's Corner

Linda S. Ingham

Wouldn't you agree that life can get hard **at times** and for some, seemingly **all the time**? Suffering rears its ugly head all too often! Justice? What's that? It never seems to prevail! Struggles mount and no one is around to listen, to understand, or even to help! Your attitude grows dark while anxiety and hopelessness become a daily invader. You feel like a failure and life does not meet your expectations.

Well, guess what? God **loves** you even when life is hard and you are experiencing anything but victory! Yea, when you feel nasty and mean, God still loves you. And God **cares!** Yes, He cares about you and all that concerns you! And what really ignites me is knowing that God **hears** me! When I am talking to God, pouring out my heart, that tiny mustard seed of faith operates and I know, that I know, that I know that He is **listening**. Even when your heart is knit to the yuck of those rough, hard, ugly, nasty times, God is **for you!** In fact, God is so for you that, even though your heart is in some nasty places here on earth, He wants you to reside with Him and be part of His spectacular abode forever and ever! What a hope! In knowing these truths, may we humbly understand and be moved to live out the true Gospel that calls us to the cross with its cost of repentance, obedience, holiness, and restoration!

We hope to see you at our upcoming *Night of Blessing*. We have many exciting items that will be available in our Silent Auction! And, of course, the ministry of Life Awakening with its life-changing *Gospel Process* will be shared! Bring some friends, for sure! Make sure you RSVP!
