KINGDOM SEEKERS BIBLE STUDY

Ladies, if you are interested in joining a group of spiritually hungry ladies, join us on Tuesday mornings from 9:30 – 11:30. It is held in New Holland. We are presently working through LA Academy materials, giving Linda input so she can finalize them. Call for more details!

MISSION STATEMENT

To teach and apply the Gospel through the Holy Spirit to people who want freedom, healing and victory from the burdens of sin and pain.

VISION STATEMENT

To see people awakened to walk in righteous and healthy relationships with God, their true selves and other people so they can walk in the fullness of their destinies, participating in Kingdom increase and expansion.

The following is a very short version of the testimony of a member of the Plain community who wishes to remain anonymous...

I grew up in an ungodly, abusive, dysfunctional family. As a young child my voice was taken away. I learned to be the good, forgiving Christian, totally ignoring the violations committed against my body, soul and spirit. Unfortunately, I married into a similar situation resulting in many more years of victimization. This bred many layers of overwhelming pain with oceans of tears trapped inside of me.

At 50 years of age I began to wake up, realizing that it was not God's will for me to be a life-long doormat for abuse; it was no honor to God. (Frankly, I was fed up with being everyone's scapegoat!) I made a conscious effort to change my identity from victim to overcomer. The Lord then provided much-needed friends who listen and walk beside me on my journey.

Several years ago, my physical health really crashed and my doctor could not help me. I knew it was time for counseling as my body, soul and spirit were desperately crying for help. I could no longer live in denial; the pretend game was over; I was done with it! It was time to become real and connect with my emotions.

I had known for years that Life Awakening with its *Gospel Process*, would be my choice for counseling when the time would come. Why? Because my story is largely a spiritual battle. I am so grateful for a counselor who leans on the Lord and prays for direction throughout every *Session*. This is so very necessary in spiritual warfare.

The *Gospel Process* really works! The Lord has revealed many healing insights to me in these *Sessions*. My physical health has improved. Currently, I am working through my childhood trauma which is hard and tense but the deep layers of pain are coming up and out of me as I connect to them. God in His mercy has granted me deep healing and my mountain of pain is shrinking, one layer at a time. Praise God I finally see a light at the end of the tunnel. I encourage anyone on a similar journey to keep on enduring towards the goal because one day it will be worth it all! Thank God for healing, for the powerful redemptive blood of Jesus Christ and the guidance of the Holy Spirit!

With COVID we have been seeking God's timing to present our Webinar with Dr. Alveda King.

At this point we will be coordinating the Webinar with the launching of our LA Academy!

Stay tuned! We will keep you posted!

FROM THE DIRECTOR'S DESK...

The phrase, "it was an *inside job*," often refers to a certain crime committed by a person who lives or works on the same premises where the crime occurred. However, Holy Spirit recently gave me a new viewpoint. Enjoy...

A zygote grows into a fetus and a fetus grows into an infant merely by *absorbing nourishment* through his mother's umbilical cord. Just as growth in a woman's womb occurs through mere absorption, growth occurs in believers as we *absorb all the nourishment that is ours through our union with Christ*. Yes, as we sit still we can think about and absorb what our *union with Christ* offers... peace, joy, love and more. As we absorb, our *union in Christ* is at work within and an *INSIDE JOB* is accomplished!

I stand in awe at the courageous lady who shared an overview of her story on the front page. Over and over she joins the Gospel by connecting to those deep, hidden and dark places of excruciating pain and then through her authoritative *union with Christ*, profound freedom and healing arise -- an astounding *INSIDE JOB*! Indeed, those *INSIDE JOBS* have not been crimes from the enemy but *glorious triumphs* through her *union with Christ*! YES! -- Linda
