LIFE AWAKENING

GOSPEL PROCESS: EMBRACE, DIE, BURY, RISE Declaration Ministry

Life Awakening's **mission** is to teach and apply the Gospel, through the Holy Spirit, to people who want freedom, healing and victory from the burdens of sin and pain.

We **envision** people who, because they have *joined* and *experienced* the supremacy of the Gospel with its life-changing power, are awakened to walk in righteous and healthy relationships with God, their true selves and other people so they can discover and live out their personal destinies.

In order to accomplish the mission and vision God has called Life Awakening to fulfill, we have been entrusted with a God-given, biblical message based on the finished work of Jesus Christ. This message is called the *Gospel Process: Embrace, Die, Bury, Rise* and is taught through four *Phases*.

The message in the *Training Manual* starts with a parable that teaches the bad news about the dilemma people face because they are trapped in the strongholds of sin and pain that bring depression and defeat. God's original design and intention for human beings, together with how they became tarnished and damaged through sin, is then explained to bring understanding to this challenging subject. A progression into differentiating and discerning the kingdoms that exist on the earth, together with how each operates, offers a keen, well-developed and profound understanding as to *how* and *why* people become wounded, addicted, broken, depressed, distraught and even suicidal.

With that dismal picture of man's dilemma exposed, the glorious Good News - the powerful, life-changing Gospel of Jesus Christ - is taught as the pathway to true and lasting freedom, healing and victory as one declares and exercises his *God-given authority* in faith.

Although the life and earthly ministry of Jesus Christ is taught, it is the finished work of Jesus Christ that is the nucleus of Life Awakening's teaching. Why? Because He finished the work that was required for freedom, healing and victory to occur inside a person. In finishing that work, His Kingdom can be activated inside a person so it can operate to bring about internal and lasting change.

At the close, eternal issues are addressed so one can learn to be daily motivated by the hope of eternity. After all, people were designed to live eternally with the triune Godhead.

The Holy Spirit delivered the *Gospel Process: Embrace, Die, Bury, Rise Declaration Ministry*. This *Process* helps one "put off the old" and "put on the new" so one can become freed, healed and victorious, causing effortless and spontaneous growth in Godly character and integrity. We have seen many people awakened through the *Gospel Process*. Hence, God changed the original name, Wellspring Garden Ministries, to Life Awakening!

With the *Gospel Process* message being Life Awakening's heart and foundation, four *Phases* were developed to systematically and thoroughly teach and train people how to join and pattern their lives after Jesus Christ's finished work. The *Phases* are hereinafter described.

PHASE ONE: GOSPEL PROCESS LIFESTYLE SEMINAR

This is designed to help Christians understand the basics of the Gospel of Jesus Christ so it can be applied in practical ways. It is for one who is grappling with temptation and struggles and/or for one who wants to learn how to help another person who is grappling with temptation and struggles. In short, this *Lifestyle Seminar* teaches how the Gospel can become a lifestyle so one can live in daily victory and develop Godly character and integrity. This is a six-hour seminar with flexibility as to the time and date of its presentation.

Cost: Participation with *Student Manual* -- \$30

PHASE TWO: GOSPEL PROCESS APPLICATION GUIDE

Read the *Gospel Process Training Manual* which teaches the biblical doctrine of the *Gospel Process* and complete the *Gospel Process Application Guide*. Each chapter in the *Application Guide* corresponds with each chapter in the *Training Manual*. This *Guide* asks challenging and thought-provoking questions which are to be privately answered by an individual. If desired, individuals can then gather on a regular basis with other believers who have also completed the *Guide*. Together they can share from their completed *Application Guides*, the insights and revelations gained from the truths taught in the *Training Manual*.
