

## *Toolkit for Victorious Living*

This can help one learn to walk in faith and thankfulness in the midst of the challenges of life. Although this was not designed for a group, it can be studied together with other people.

Because of your *union with Christ*, you are His Bride, married to Him, the Groom. One day the Marriage Supper of the Lamb (Rev. 19:7) will occur wherein the Bride (you) will be officially presented to the Groom (Jesus). Well, you know what? All of us need to get ready for that Supper! Yes, we have to get cleaned up and dressed! And we will have to stop fighting because Jesus will not allow fighting at His Supper table! The *Gospel Process* will help to clean up and dress the Church, the Body of Christ, not only in preparation for the Marriage Supper of the Lamb, but to be so free in and full of the Spirit that we can manifest God and His supernatural heavenly Kingdom on this earth today! Hallelujah!

 **Life Awakening**  
A LIFESTYLE WORTH LIVING

*In a split second*, does rage engulf you? *In a split second*, are you buried in the pain of rejection, on the verge of striking back with a vengeance? *In a split second*, does jealousy assault your heart like a bolt of lightning? *Are you stuck in* offense unable to spontaneously love at will, in life-giving ways? *Are you stuck in* betrayal that lacerated your heart 20 years prior?

Hmmm...Split second? Stuck? Yes, in a split second like the snap of your fingers, you react. Stuck, like you cannot stop something, you cannot get out – of a trap. It happens to all of us. Often, we do not like our reactions. They are not good. And we do not like being stuck, unable to step forward. Our lives seem to become like a ping-pong game of going back and forth between being that good Christian yet biting our tongue or stuffing our pain – ready to explode, break down, quit, or whatever. And it costs, because along the way, we experience hurt, harm, damage, and even defeat.

Life Awakening (LA) offers hope and help in these areas. Our LA Academy contains four phases of learning which teach and demonstrate what we call the *Gospel Process*, a mindset and tool to live in victory.

## **PHASE 1**

### *That Split-Second... Breaking its Damaging Power to Avoid the Trap of Sin and Pain*

This is a six-hour interactive seminar about how to break the power of those split-second reactions, so one can avoid getting locked in the trap of sin and pain. It also imparts God's solution to live authoritatively over those reactions through joining the Gospel.

## **PHASE 2**

### *That Split-Second... the Gospel Process Study with Action Points*

This is a ten-week interactive study, with homework, which builds on and amplifies the message of *Phase 1*. It begins by teaching God's design for living through one's *union with Christ*. It then exposes the depth of the enemy's strategies to get one locked in the trap of sin and pain. It thereafter elaborates, through deeper teaching and increased demonstration, on God's core solution: to join the Gospel. It further teaches how one can avoid the trap to live in victory. This is designed for a group of people who participated in *Phase 1*. However, an individual may complete it himself without participating in a group. Either way, *Phase 1* is a prerequisite to participating.

## **PHASE 3**

### *Getting Unstuck, through Understanding the Heart of the Father*

This is a ten-hour interactive seminar that teaches and demonstrates the overall picture of the Father's heart for His children to get unstuck, unlocked from the trap of sin and pain. It describes how one gets locked in a trap and the Father's provisions to get out of it as mirrored through His heart. *Phases 1* and *2* are a prerequisite to participating. Reading the *Teaching Manual* and completing the *Workbook* in advance are required to participate.

## **PHASE 4**

### *Getting Unstuck, the Skill of Facilitating a Gospel Process Session*

This is a six-hour interactive seminar teaching the detailed skill of taking a person or oneself through a *Gospel Process* session. It encompasses the role of a facilitator and how to set up a *Gospel Process* ministry. It teaches the detail yet the simplicity of how to *put off the old* and *put on the new* within the context of having been sinned against through hurts, abuse and trauma and/or having committed personal sin. It also addresses getting to the roots of issues and the layers of trauma. This *Phase* teaches and demonstrates the *nuts and bolts* of getting out of the trap(s) of sin and pain. *Phases 1* through *3* are prerequisites to participating. Reading the *Teaching Manual* and completing the *Workbook* in advance are required to participate.
