Handbook of Helps for Victorious Living

This contains “helps” so one can learn to walk in faith and expectation in the midst of life’s challenges and even learning to experience fun with its joy as the children below display. It contains teaching, personal questions, declarations, examples, and suggestions, each designed to broaden one’s thinking and challenge the handling of life’s experiences. This can be studied individually or together with other people.

Because of your *union with Christ*, you are Jesus’ Bride, married to Him, the Groom. One day the Marriage Supper of the Lamb (Rev. 19:7) will occur wherein the Bride (you) will be officially presented to the Groom (Jesus). Believers need to get ready for that Supper! Yes, we have to get cleaned up and dressed by learning how to *put off the old* and *put on the new*! The *Gospel Process* will help to clean up and dress the Church, the Body of Christ, not only in preparation for the Marriage Supper of the Lamb, but to live free in and full of the Spirit so that they can manifest God and His supernatural heavenly Kingdom on this earth today! Hallelujah!

Mission Statement

To train people how to simply and practically join the Gospel for freedom, healing, and victory from the burdens of sin and pain for themselves and others.

Vision Statement

To see believers fulfill the promise of the Gospel for abundant life here on earth, while furthering the expansion of God’s Kingdom.

LIFE AWAKENING'S TOOLKIT

Life Awakening

A LIFESTYLE WORTH LIVING

In a split second, does rage engulf you? In a split second, are you buried in the pain of rejection, on the verge of striking back with a vengeance? In a split second, does shame assault your heart like a bolt of lightning? Are you locked in the trap of offense, unable to spontaneously love at will, in life-giving ways? Or maybe you are *locked* in the pain of betrayal that lacerated your heart 20 years prior?

Hmmm...Split second? Stuck? Yes, in *That Split Second* like the snap of your fingers, you react. You are stuck. You do not know what to do. And soon, you feel like you are locked in a trap, unable to experience freedom, healing, and victory. Your life seems to become like a ping-pong game of going back and forth between being that good Christian yet biting your tongue and stuffing your pain. You are heartbroken, ready to explode, breaking down, and tempted to quit. And it costs, because along the way, you experience damage and even defeat.

Life Awakening offers hope and help in these areas. Our *Toolkit*, which contains various *Training Tools*, teaches and demonstrates what we call the *Gospel Process*, a mindset and tool to teach you how to live in freedom, healing, and victory through joining the Gospel of Jesus Christ so you can live out the abundant life.

Live , Hands-On Training

THAT SPLIT SECOND

Avoid Getting Stuck in Sin and Pain

This is a four-week interactive *Live, Hands-On Training*, with homework from week to week, about how to break the power of *That Split-Second* reaction, so one can avoid getting stuck in sin and pain. It also imparts God's solution to live authoritatively and victoriously over *That Split-Second* reaction, by joining the Gospel through the *Gospel Process*.

If you are married, it is recommended that your spouse attend with you so as to learn the material together which will benefit your practicing and living it out together as you live life.

THAT SPLIT SECOND

Avoid Getting Stuck in Sin and Pain
Expanded Teaching of the Live Training, with Action Points

This is a six-week interactive Bible study, with homework, which expands on the message of the *That Split-Second Live Training*. It begins by teaching God's design for living through one's *union with Christ*. It then exposes the depth of the enemy's strategies to get one stuck in sin and pain. It thereafter elaborates, through deeper teaching and increased demonstration, on God's core solution: to join the Gospel. It further teaches how one can avoid getting stuck in sin and pain to live in victory. This is designed for an individual or group study.

Live , Hands-On Training

BECOME A CHAMPION

OF THE GOSPEL PROCESS

This is a two day interactive *Live, Hands-On Training* teaching the skill, the nuts and bolts, to take a person or oneself through a *Gospel Process* session so one can receive freedom and healing from the trap(s) of sin and pain. It encompasses the role of a Champion and how to set up a *Gospel Process* ministry. It teaches the detail yet simplicity of how to *put off the old* and *put on the new* within the context of having been sinned against through hurts, abuse, trauma, and/or having committed personal sin. It addresses how to get to the roots and layers of issues that keep one from receiving freedom and healing in order to move forward in life.

GOD'S PASSION

for Your Freedom and Healing

This is an encouraging book that teaches and demonstrates the *Father's passion* for His children to get freed and healed from the trap of sin and pain. It teaches God's original intention and design for human beings while explaining the difference between the two kingdoms that operate on the earth with each desiring allegiance. It also teaches how humans are designed to live and God's gift to live in victory. It ends with interesting thoughts of eternity; after all, everyone will experience eternity so let's align ourselves with God's passionate heart and get ready for it!
