TO GOD BE THE GLORY FOR HIS MIRACLE!!

I started attending the *Kingdom Seekers Bible Study* through a mutual friend in 2015. I have rarely missed attending because I love the teaching, the rich fellowship, and the fun we have together.

I have loved the teaching and continual reminder of my *union with Christ*. Now, I am confident that *Christ is in me and I am in Christ*. Last summer we did a very enlightening study on religion with its religious spirit. That was quite a study for us! As a result of these life-changing teachings, about four months ago I felt the need to become more like Jesus. So I prayed that God would do a deeper work in me. Little did I know when I prayed that prayer what God would unfold. It has been life-changing, for sure! Let me tell you...

I had been having health issues. After tests, the doctor found a hole in my heart and also a tumor on my mitral valve that was very dangerous and needed to come off right away through open heart surgery. Honestly, it was very scary to hear that and I went through a lot of anxiety the week before surgery. However, that Tuesday, the Bible study ladies laid hands on me and prayed for strength and healing, even for a miracle. Before surgery, they put a camera down my throat to see if the hole and tumor were still in place and they were. But, are you ready for this? When they cut me open the hole was closed and there was no tumor!! PRAISE GOD FOR MIRACLES!

I love the *Kingdom Seekers Bible Study* as, together, we learn about and share in the power of the Gospel!

Praise the Lord! Praise God in His sanctuary; Praise Him in His mighty expanse. Praise Him for His mighty deeds; Praise Him according to His excellent greatness. Praise Him with trumpet sound; Praise Him with harp and lyre. Praise Him with timbrel and dancing; Praise Him with stringed instruments and pipe. Praise Him with loud cymbals; Praise Him with resounding cymbals. Let everything that has breath praise the LORD. Praise the Lord!

I was a client of Linda's, became a trained facilitator of the *Gospel Process*, signed on as a Board member, and started co-teaching the *That Split Second Live Training* with Linda last summer. Now I have been brought on as Life Awakening's part-time Assistant Director, not only joining Linda in offering one on one *Gospel Process* sessions from my home office in Denver, but I am also dedicating significant time to "launching" the *Gospel Process* beyond one life at a time through the *Life Awakening Toolkit!* We believe every congregation and ministry has people with the gifts of mercy and compassion, just ripe to be trained and equipped to help people receive freedom and healing so they can live in victory. We have the tools, some of you have the connections. If you, your church, or your ministry want to know more, don't hesitate to contact us. I am very excited to have this new position that allows me to exercise the giftings God placed within me.

It is hard to imagine the wonder, the excitement, the anticipation Jesus' followers experienced when waiting in the Upper Room for the coming of the Holy Spirit. But finally, God's promise was fulfilled, and He came! Certain accounts in the Bible show us what an experience His coming was, changing the way they lived and causing countless supernatural miraculous adventures, even today as Anna Mary's testimony shares! *Going to the Upper Room and waiting was evidence that they believed the Holy Spirit would come as promised.*

Today, we have many beautiful, unique, and life-giving biblical promises that need to be *waited on in faith*. But let's ponder, "Do we get excited about God's promises with a willingness to *wait in faith* outside of our timetable? Do we consider God's promises important enough to acknowledge, believe, and consciously *wait on* as they did in the Upper Room? Will we "*wait in faith*" with thankfulness and expectation for the fulfillment of that promise?" After all, biblical promises carry as much weight as the promise of the Spirit!

God marked the path of Life Awakening with a "*rhema*" promise in the Fall of 2007 when the Holy Spirit clearly told me to change the name of Wellspring Garden Ministries to Life Awakening. When I questioned "*Life Awakening?*", He immediately said, "*We will show people what real Life Awakening is.*" Little did I know back then what it would entail for the greater fulfillment of that promise through the production of materials and not just through facilitating *Gospel Process* sessions, one life at a time! But years later, that promise is being fulfilled as we launch the *LA Toolkit!* We wholeheartedly embrace Andrea as our special gift for the launching!
