As someone who took the *Become a Champion of the Gospel Process Training* last December, I can ASSURE YOU that it is worth well beyond the \$350 investment! The *Gospel Process* changed me and has given me the tools to convert my compassion for others into the ability to effectively help them realize their potential. **Learning the details of "how" to "put off the old" was life-changing!** With just a small investment of time and expense, I received something of great eternal value, especially in light of colleges charging roughly \$10,000 a year to equip people! I believe it will do the same for you!

THE NEWEST TOOL IN THE LIFE AWAKENING TOOLKIT!

God did not design His children to live bound in sin and pain, with all their heartache and bondage! So what was God's response when sin caused havoc within Eve, Adam, and the cosmos? He took action! Only a deep passion could carry out such an extreme, intense, and radical plan of action so that sin with all of its pain and heartache could be put away for the freedom and healing of His children! Yes, He did this because He loves you and cares for you! This little book not only shares some of the elements and dynamics of the *Gospel Process*, but it also offers another personal reason, a powerful nugget of truth nestled within Scripture, as to *why* God has a passion for your freedom and healing!

In pondering Jesus' death, burial, and resurrection, let's reflect on the heart of His Father who sent Him here! Isaiah tells us Jesus was stricken, smitten, afflicted, and bruised by people yet *those actions were ordained by His very own Father*. In fact, His Father was even "*pleased*" to see the anguish His Son was experiencing during that horror. Seems so cruel, doesn't it? But not from God's perspective! You see, Jesus, who did not sin, actually became sin, so He could take *sin's punishment through physical torture and sin's penalty through death*. In doing this, Jesus was the payment for sin, **satisfying God's requirement that sin be paid for**. Therefore, true believers will never experience sin's punishment and penalty for all the sins they commit and they never have to "*work*" for their salvation. Instead, **they are not only given eternal life but also the opportunity to learn how to live an abundant life here on earth!** This sure is good news, great news, ecstatic news -- it is the Gospel of Jesus Christ!

God and Jesus did this for you because They love you and want a relationship with you, both on this earth and throughout eternity! We believe God has raised Life Awakening up to teach and train believers "*how*" to "*put off the old*" and "*how*" to "*put on the new*", in that order, so they can experience abundant life here on earth. Please consider joining our team through prayer, regularly supporting us financially for expansion purposes, participating in our *Trainings*, and reading our new book noted above! And we sure do hope you mark your calendar to attend our *Night of Blessings* as you will be blessed, for sure!
