Flex Funds vs Business Funding: What's the difference?

	Flex Funds	Business Funding
What is it?	Instant-access emergency funds or peace of mind and unexpected costs	Growth funding to expand your business – larger amounts of cash for growth and investment needs
How do I pay?	Automatic payments are fixed to a percentage of your daily sales	Automatic payments are fixed to a percentage of your daily sales
What does it cost?	Fixed fee on every payment	Flat fee when you take out funding
How do I get approved?	Business revenue, lighter checks, 90% approval rate for customers with card transaction history	Business revenue, minimum 3 months of trading history with Dojo, lower approval rates
When can I get it?	Available after 1 week with Dojo	Available after 90 days with Dojo
What's it for?	Emergency quick funds	Growth and investment capital
