Introduction

Sramajibi Academy of Nursing is an initiative of Belur Sramajibi Swasthya Prakashya Samity. Belur Sramajibi Swasthya Prakashya Samity is registered under Society Registration Act in the year 1992, having its head office at 5, GT Road, Belur, Howrah, 711202. Our society runs two multi-speciality hospitals, one 60 bedded at Belur, Howrah and another 100 bedded at Serampore, Hooghly. In the time of COVID-19 pandemic we have successfully run Level IV, COVID hospital in Serampore. We have a Blood Bank with component separator facility at our Serampore campus. We have established our academic campus Sramajibi Pathshala at 104/A Dewangazi Road, Bally, Howrah, 711201, on a stretch of land donated by three sisters. We earned affiliation from Ministry of Health & Family Welfare–Govt. of West Bengal, West Bengal Nursing Council and Indian Nursing Council to start and run a school of nursing and got permission to admit 60 students for GNM (General Nursing and Midwifery) course for the academic session 2019 – 2022. This permission continued in 2020 -2023, 2021-2024, 2022-2025 and 2023-2026 sessions also. Our students are getting trained not only in our 100 bedded parent hospital at Serampore but also at College of Medicine and Sagore Dutta Hospital as well as at Walsh Hospital-Serampore, TL Jaiswal Hospital-Howrah, District Hospital-Howrah. For their experience in Community Health, they visit field area under Rural Hospital Domjur. We regularly conduct seminar and workshop by eminent personal in the field of health. We conduct regular cultural programs in the campus and take the students in the academic excursion. Students participate in the Yoga class and in annual sports. Our society delivers quality health care and education at just cost on no profit no loss basis to the underprivileged sections of the community. We want to continue on the same note on our new endeavor.
