Introduction

Belur Sramajibi Swasthya Prakalpa Samity is registered under society Registration Act. Three year undergraduate course of Bachelor of Medical Laboratory Technology (BMLT) is the most recent initiative of our organization.

We are proud to announce the commencement of this course during the session 2020-2023. Our society runs two multi-speciality Hospitals, one 60 bedded at Belur, Howrah and another 100 bedded at Srerampore, Hooghly. We also run Sramajibi Academy of Nursing, a General Nursing and Midwifery School. We have a state of art Blood Bank with separator facilities and fully equipped laboratories. Our class rooms equipped with audiovisual aids and computers. We have a team of experienced teaching faculties. We earned affiliation from West Bengal University of Health Sciences to start bachelor of Medical Laboratory & Technology course and got permission to admit 20 students for the academic session 2020-2023. In 2021 West Bengal University of Health Sciences increased the seats from 20 to 50. We regularly conduct seminar and workshop by eminent personal in the field of health. We conduct regular cultural programmes in the campus and take the students in the academic excursion. Students participate in the Yoga class and in annual sports. Our society delivers quality health care and education at just cost on no profit no loss basis to the underprivileged sections of the community. We want to continue on the same note on our new endeavour.
