# April Recap So Far...

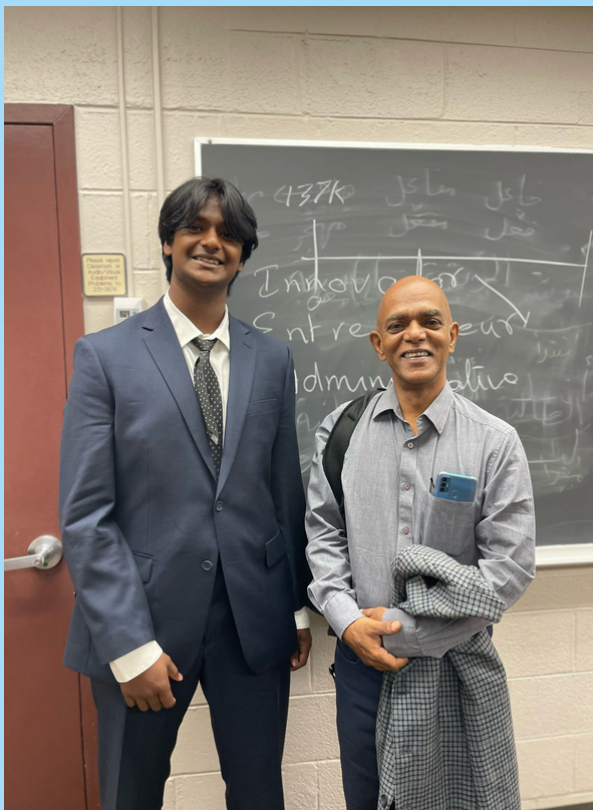

## DATE PARTY

Our fraternity recently marked the end of the semester in style with a Great Gatsby themed date party! Complete with pizza, games, and everything adorned in gold, it was a night filled with glitz and glam. Dressed to the nines, everyone celebrated the memorable moments shared throughout the semester.

## Guest Speaker: Varkey George

This month we had Varkey George travel in from South Africa to share his insights and experiences with the brotherhood. Varkey has transitioned from his early work as a teacher to serving as a non-profit Director in Cape Town where he implements various service-learning programs. We all loved learning about Varkey's career experiences and advice on social entrepreneurship.

**"I really enjoyed learning about the many components of global entrepreneurship"**
