New Season, New Adventures

FAMILY DINNERS

Before spring break the GodDamn Fam had a mini reunion with a bunch of it's brothers!

Everyone went to Kabuki, a Japanese Steakhouse in Christiansburg, to try out some Hibachi style food. Our brothers had so much fun catching up while also watching the amazing show put on by their chef. From catching shrimp in mid-air to onion volcanoes, it was definitely a night to remember!

Sigma Adventures

The Sigmas this semester have been off to a great start as they work through the pledging process. From brother interviews to scavenger hunts around campus, we have definitely been keeping them busy with fun excursions and events!

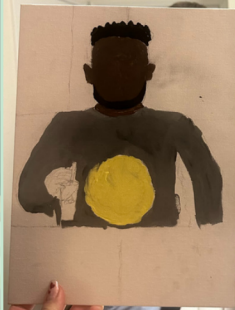

“My favorite thing about the Sigma process so far is the community and friendships that the brothers have built and have extended to Sigmas ”
-Sophia Labriny
