New Semester means new Sigmas

THROWBACK TO THE 80'S

The brotherhood went back in time for our 80's themed Spring Rush season! From billiard's nights to Passion Pitches about international mukbangs and ping pong, we have had so much fun getting to know this semester's new class of Sigmas. In addition, our CMO, Vicky, hooked us up with some awesome new merch!

The Grind Never Stops ...

Lukas started out as a sigma education chair and is now preparing to lead our 8 new Sigmas through their pledging process as this semester's Chief Operating Officer of Sigmas (COO-S).

"I am excited to see this year's pledge class get off to a great start! There's a lot of things we can do together to help make SOU even better. "

Things to Get Excited For ...

ALUMNI UPDATE

Over the past month, I have been updating our alumni database so that our alumni can stay up to date with all things SOU. Through this process, I had the opportunity to connect with tons of amazing people, many of which have held leadership roles within SOU in the past, so I encourage all of our brothers to reach out and connect with one another!
