## INTERNSHIPS THIS SUMMER!

We had a remarkable summer filled with diverse accomplishments across various industries. Members secured internships in fields ranging from finance and technology to consulting and healthcare, showcasing the fraternity's versatility and broad skill set. Notable achievements included roles at prestigious firms where members contributed to high-impact projects, honed their professional skills, and expanded their networks. SOU's summer success highlights the dedication and talent of its members, with many securing return offers or transitioning into full-time roles. These accomplishments underscore the fraternity's commitment to professional excellence and career development.
