## **SECTION I STREETS, EASEMENTS AND UTILITIES**

### **A. Public Streets and General Utility Easements:**

1. The undersigned OWNER does hereby dedicate for public use all of the streets as shown on the accompanying plot.
2. The undersigned OWNER does hereby dedicate for public use the easements and right-of-way shown on the accompanying plot for the several purposes of constructing, maintaining, operating, repairing, any and all public utilities including storm sewers, sanitary sewers, telephone and communication lines, electric power lines and transformers, gas lines, water lines and cable television lines, together with all fittings, including the poles, wires, conduits, pipes, valves, meters and equipment for each of such facilities and any other appurtenances thereto with the rights of ingress and egress to and upon the utility easements and right of-ways for the uses and purposes aforesaid; PROVIDED HOWEVER, that the Owner hereby reserves the right to construct, maintain, operate, lay and relay water lines and sewer lines, together with the right ingress and egress for such construction, maintenance, operation, laying and relaying over, across and along the public street and utility easements, shown on the plot for the purpose of furnishing water and sewer services to the area included in the plat.
3. No building structure, or other above or below ground obstruction that will interfere with the purposes aforesaid, shall be placed, erected, installed or permitted upon the easements or right-of ways as shown.
4. The foregoing covenants concerning streets and easements shall be enforceable by the City of Broken Arrow, and the owner of each lot agrees to be bound herby.

### **B. Underground Service:**

1. Overhead lines for the supply of electric, telephone and cable television services may be located within the parameter easements of the subdivision. Street light poles or standards may be served by overhead line or underground cable and elsewhere throughout the subdivision. All supply lines including electric, telephone, cable television and gas lines shall be located underground in the

easement ways dedicated for general utility services and in the right-of-way of the public streets as depicted on the accompanying plat. Service pedestals and transformers, as sources of supply of secondary voltages, may also be located in easement ways.

2. Underground service cables and gas service lines to all structures which may be located within the subdivision may be run from the nearest gas main, service pedestal or transformer to the point of usage determined by the location and construction of such structure as may be located upon the lot. Provided that upon the installation of a service cable or gas service line to a particular structure, the supplier of service shall thereafter be deemed to have definitive, permanent, effective and non-exclusive right-of-way easement on the lot, covering a 5 foot strip extending 2.5 feet on each side of the service cable or line extending from the gas main, service pedestal or transformer to the service entrance on the structure.
3. The supplier of electric, telephone, cable television and gas services, through its agents and employees, shall at all times have the right of access to all easement ways shown on the plot or otherwise provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of the underground electric, telephone, cable television or gas facilities installed by the supplier of the utility service.
4. The owner of each lot shall be responsible for the protection of the underground service facilities located on his lot and shall prevent the alteration of grade or any construction activity which would interfere with the electric, telephone, cable television or gas facilities. Each supplier of service shall be responsible for ordinary maintenance of underground facilities, but the owner shall pay for damage or relocation of such facilities cause or necessitated by acts of the owner or his agents or contractors.
5. The foregoing covenants set forth in this paragraph B shall be enforceable by each supplier of the electric, telephone, cable television or gas service and the owner of the lot agrees to be bound hereby.

C. Water and Sewer Services:

1. The Owner of each lot shall be responsible for the protection of the public water and sewer mains located on or in the lot.
2. Within the depicted utility easement area, if the ground elevations are altered from the contours existing upon completion of the installation of a public water or sewer main, all ground level apertures, to include: valve boxes, fire hydrants and

manholes will be adjusted to the new grade by the owner or at the owner's expense.

3. The City of Broken Arrow or its successors shall be responsible for ordinary maintenance of public water and sewer mains, but the owner shall pay for damage or relocation of such facilities caused or necessitated by acts of the owner, or agents or contractors of the owner.
4. The City of Broken Arrow or its successors, through its proper agents and employees, shall at all times have right of access with their equipment to all such easement-ways shown on the plot or provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of the underground water or sewer facilities.
5. The owner of a lot shall be responsible for the repair of damage to landscaping and paving occasioned by necessary maintenance or repair of the public water or sewer facilities within the easement areas situated upon such owner's lot; provided, however, the City of Broken Arrow shall use reasonable care in the performance of such activities.
6. The foregoing covenants concerning water and sewer easements and services shall be enforceable by the City of Broken Arrow and the owner of each lot agrees to be bound hereby.

D. Gas Service:

1. The Supplier of gas service through its agents and employees shall at all times have the right of access to all such easements shown on the plat or as provided for in this certificate of dedication for the purpose of installing, removing, repairing, or replacing any portion of the facilities installed by the supplier of gas service.
2. The Owner of the lot shall be responsible for the protection of the underground gas facilities located in their lot and shall prevent the alteration, grade, or any other construction activity which would interfere with the gas service. The supplier of the gas service shall be responsible for the ordinary maintenance of said facilities, but the Owner shall pay for damage or relocation of facilities caused or necessitated by acts of the Owner, or its agents or contractors.
3. The foregoing covenants set forth in this paragraph shall be enforceable by the supplier of the gas service and the Owner of the lot agrees to be bound hereby.

E. Paving and Landscaping Within Easements:

1. The Owner of the lot shall be responsible for repair of damage to the landscaping and paving occasioned by the necessary installation of or maintenance to the underground water, sewer, storm water, gas communication, cable television, or electric facilities within the easements depicted on the accompanying plat, provided however, that the City of Tulsa, or the supplier of the utility service shall use reasonable care in the performance of such activities.

## **SECTION II SURFACE DRAINAGE**

A. Surface Drainage:

Each lot shall receive and drain, in an unobstructed manner, the storm and surface waters from lots and drainage areas of higher elevation and from public streets and easements. No lot owner shall construct or permit to be constructed any fencing or other obstructions which would impair the drainage of storm and surface waters over and across his lot. The covenant set forth in this paragraph shall be enforceable by any affected lot owner and by the City of Broken Arrow, Oklahoma.

## **Section III TRAFFIC TURN-AROUND-LOTS 2 & 3 BLOCK 13**

A. Traffic Turn-Around

Construction of a Temporary turn around on Lots 2 & 3, block 13, by the developer is for use by the public, emergency vehicles and other vehicles until West Laredo Place is extended to the East. Upon the extension of West Laredo Place to the East, the City of Broken arrow or its designated contractor, shall remove the asphalt except that portion required for a driveway, if there is an existing residential structure on Lot 13, Block 13, till the area where the asphalt is removed with topsoil, construct a 4 feet wide sidewalk, and solid slab sod all disturbed areas. Prior to filling the Plat of The Estates of Pembroke Park Block 9 thru 15, the Developer shall deposit with the City of Broken Arrow monies necessary to complete the above slated work.

## **SECTION IV ZONING AND DEVELOPMENT RESTRICTIONS**

WHEREAS, the Owner desires to establish restrictions for the purpose of providing for an orderly development and to insure adequate restrictions for the mutual benefit at the Owner, its successors and assigns, and the City of Broken Arrow, Oklahoma.

THEREFORE, the Owner does hereby impose the following restrictions and covenants which shall be covenants running with the land and shall be binding upon the Owner, its successors and assigns, and shall be enforceable as hereinafter set forth.

### **A. Use of Land:**

1. The development of THE ESTATES AT PEMBROOKE PARK BLOCKS 9 THRU 15 shall be subject to the provisions of the Broken Arrow Zoning Ordinance, as the same existed on May 17, 1993, or as subsequently amended.
2. All lots shall be known and described as residential lots and shall be limited to use for detached single-family residences and purposes.
3. Reserve "A":
  - a. The pond and any current or future facility constructed in Reserve "A" is reserved for the use and benefit of the Owners of Lots in The Estates of Pembroke Park, Blocks 9 thru 15, as well as the Owners of the Lots in The Estates at Pembroke Park, Blocks 1 thru 8. Ownership and Maintenance of this facility will be by The Estates at Pembroke Park Owners' Association, Inc.<sup>3</sup>
  - b. Fishing will be permitted in this pond, but will be restricted to a catch and release provision.
4. Reserve "B":
  - a. The pond and any current or future facility constructed in Reserve "B" is reserved for the use and benefit of the Owners of Lots in The Estates at Pembroke Park, Blocks 9 thru 15, as well as the Owners of the Lots in The Estates at Pembroke Park, Blocks 1 thru 8, and for the use of the said City of Broken Arrow as a storm water detention facility. Ownership and Maintenance of this facility will be by The Estates at Pembroke Park Owners' Association, Inc.<sup>3</sup>
  - b. Fishing will be permitted in this pond, but will be restricted to a catch and release provision.

5. Maintenance of Facilities in Reserves “A” and “B”:

- a. The pond and surrounding area constructed in Reserve “A” shall be maintained by the Homeowner’s Association in accordance with the following standards:
  - (1) The area shall be mowed during the growing season at intervals not exceeding four weeks.
  - (2) Trickle channels shall be cleaned of siltation and vegetation twice yearly. In the event the Homeowners Association should fail to perform this cleaning, the City of Broken Arrow, or its designated contractor may enter this area and perform the necessary cleaning and the cost thereof shall be paid by the Homeowners Association.
- b. The pond, surrounding area and detention facility constructed in Reserve “B” shall be maintained by the Homeowners’ Association in accordance with the following standards:
  - (1) No fence, wall, building or other obstruction may be placed or maintained in Reserve “B”, nor shall there be an alteration of the grades or contours unless approved by the City of Broken Arrow.
  - (2) Reserve “B” area shall be kept free of obstruction and debris.
  - (3) The grass of Reserve “B” shall be mowed during the growing season at intervals not exceeding four (4) weeks.
- c. In the event the Homeowners’ Association should fail to properly maintain the Reserve Areas, the City of Broken Arrow or its designated contractor, may enter and perform the necessary maintenance and the cost thereof shall be paid by the Homeowners’ Association.

**SECTION V**  
**PROTECTIVE COVENANTS AND RESTRICTIONS**

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until December 1, 2014, of which time said covenants shall be automatically extended for successive periods of ten (10) years; provided, however, after December 1, 2014, the then owners of a majority of all the lots in said Addition, as approved by the Broken Arrow Planning Commission and the Broken Arrow City

Council, may change or vacate these covenants, either in whole or in part, which change or vacation shall be evidenced by an instrument in writing signed by the then owners of a majority of all lots in said Addition and duly filed of record in the office of the County Clerk of Tulsa County, Oklahoma. Provided, however, Owner (or any designee) reserves the right in its sole discretion, to amend any of the terms or provision of Section IV hereof so long as it is the Owner of any Lot in the Subdivision.

If the parties hereto or any of them or their heirs or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any real property situated in said development or subdivision to prosecute any proceedings of law or in equity against the person or persons violating or attempting to violate any such covenants and either prevent him or them from so doing or secure damages or other dues for such violation. The prevailing party in any such action shall be entitled to recover his costs and reasonable attorney's fees.

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

A. Number of Principal Residences:<sup>3</sup>

No more than one principal residence shall be erected on any single family lot as now platted.

B. Building Height:<sup>3</sup>

No principal residence which exceeds two (2) stories in height shall be placed, erected, altered or permitted to remain on any single family lot as now platted.

C. Building Set-Back Standards:<sup>2</sup>

No building or parts thereof, except porches and terraces, without covers, shall be constructed and maintained on any lot nearer to the front or side street lot lines than the twenty-five (25) foot building lines established on the recorded plot of said Addition, or nearer than Five (5) feet to any side lot line: providing that the total of the side yards shall not be less than fifteen (15) feet. The Fifty (50) foot building line depicted upon the accompanying Plat within Lot 3, Block 13 is hereby terminated, and said lot shall be subject to a Twenty-five (25) foot front yard setback.

D. Building Size:<sup>3</sup>

No principal residence shall be erected on any single family residential lot, the ground floor of the main structure of which, exclusive of open porches and garages, is less than One Thousand Eight Hundred (1,800) square feet in area for a one-story dwelling. Total footage in a One and One-half (1 ½) story dwelling or a Two (2) story dwelling must total no less than Two Thousand Two Hundred (2,200) square feet. The Architectural Design Committee reserves the right to change the square footage requirements.

E. Garages:

All single family residences must have a private garage for not less than two cars attached to the residence.

F. Exterior Construction Requirements:

Exterior walls of the first floor, excluding covered porches, windows and doors, shall be 100 percent brick, stone or stucco.

G. Roofs:

All houses, garages and building of any kind must have a roof covering of weathered, wood colored, asphalt shingles. Heritage II or equivalent, or other roof covering approved in writing by the Architectural Design Committee. No dwelling shall have a roof pitch, except porches & patio roofs, of less than 8" in 12". Porches, Dormers and patio roofs shall not have a roof pitch of less than 4" in 12", and must be approved by the Architectural Design Committee.

H. Windows:

Mill finished windows will not be permitted.

I. Fences – Fence Set-Back:

Owners of lots abutting Cedar Ridge East Addition, The Trails, shall erect and maintain a six foot privacy fence. These fences shall all be of like material. Chain link fencing will not be permitted. All fences shall not be constructed nearer the street than the front building line shown on the plat.

J. Mail Boxes:

Mail Boxes are to be a free-standing metal type to be standardized and approved by the Architectural Design Committee prior to setting.

K. Restricted Structures:<sup>3</sup>

No modular or mobile home, trailer, basement, tent, shack, garage, barn or other outbuilding erected in the tract shall at any time be used as a residence, temporarily or permanently, and occupants shall not be permitted to reside in any such structure. No structures previously used or erected shall be moved onto any lot. 'Basketball goals' and 'storage buildings', as defined hereinafter, shall only be allowed if in compliance with the following terms and conditions, to wit:

Basketball Goals:

- Placement:
  - Goals shall be portable. They may not be attached to the house or other exterior building.
  - Goals must be at least 10 feet from the street pavement edge and at least five feet inside the property line. Basketball goals shall not be placed, at any time, on any street or right of way located within the neighborhood.
  - Goals must be located so that stray basketballs do not become a nuisance in adjacent yards or cause a safety hazard to vehicle traffic.
- Materials and Color:
  - The backboard shall be predominantly white, beige, clear, or light gray in color. Fluorescent colors are not permitted.
  - Basketball goals shall be installed on commercially made, regulation sized (or smaller) backboards. Backboards shall be constructed of heavy gauge fiberglass, Plexiglas, graphite-blend or aluminum.
  - The post and supports shall be painted black, gray, an earth tone, or be galvanized or aluminum in color. Bases may be black, gray, green or other earth tone in color.
- Anchoring:
  - Bases must present a neat, kept appearance.
  - Bases must be properly filled INTERNALLY with sand, water or other substance per the manufacturer's instructions.

- Bases weighted down EXTERNALLY with trash or refuse (stones, bricks, cinder blocks, dirt bags, etc.) DO NOT meet the above criteria and are NOT allowed.
- Number
  - One (1) basketball goal is allowed per house.
- Repair and Maintenance.
  - Basketball goals and supports must always be properly maintained and painted in excellent condition with the net in good repair.
  - Goals must be maintained in such a fashion that they do not detract from the neighborhood, such as, but not limited to: replacement or repair of torn nets, bent rims, bent or broken supports, worn or discolored backboards, rusted/discolored poles, or leaning poles.
- Other Restrictions.
  - Any basketball goals that are not usable must be removed.
  - The use of the goals is not allowed from 10:00 pm to 8:00 am.

Storage Buildings:

All plans for the construction of Storage Buildings must be pre-approved by the Architectural Design Committee (ADC). Application must be submitted in the form provided by and to the Architectural Design Committee setting forth the details of the request which must conform to the following guidelines, to wit:

- Materials and Color:
  - Exterior walls, excluding windows and doors, shall be 100 percent brick, stone, stucco, or wood.
  - Roofs: Buildings of any kind must have a roof covering of weathered, wood colored, asphalt shingles such as Heritage II or equivalent, or other roof covering approved in writing by the ADC.
  - Color scheme must compliment the residence.  
Exception: Plastic Prefab buildings will be considered if they meet color scheme, size, and placement guidelines. Note: These still require ADC approval.
- Size:
  - Maximum square footage is 100 sq feet. Exceptions may be made by the ADC if lot dimensions are suitable.
  - Maximum height is 8 feet.
  - The roof line needs to resemble current lines in neighborhood. No Barn Gables, Rounded, or Flat roofs.

- Placement:
  - No part of the building shall be located within a utility easement.
  - It must be located at least 5 feet from any property line.
  - The building must not be placed in the front yard.
  - If the building is set adjacent/abutting to the residence, a building permit may be required.
  - The building must be enclosed behind a fence, the placement, composition and height of which must be submitted at the time the original plan is presented and must be pre-approved by the Architectural Design Committee.
  - Excluding residence, only one building permitted per property.

L. Storage of Boats, Trailers, and recreational Vehicles:

Boats, trailers, campers, inoperable vehicles or other recreational vehicles shall not be parked on any lot for a period exceeding 24 hours. Storage or parking of recreational vehicles exceeding 24 hours must be in enclosed garages.

M. Cleanup During Construction:

The builder of a house must keep the lot cleaned up during construction. If the builder fails to do so, the Architectural Committee or its agent may have the lot cleaned. Cost for this work will be at the expense of the builder.

N. Satellite Dishes:

Satellite Dishes exceeding 18" in diameter shall be prohibited except as follows: (1) Approval of installation by the Architectural Design Committee, (2) Screening to be no less than maximum height of the receiving dish, unless otherwise approved in writing by the Design Committee and (3) Under no condition shall a satellite dish be located in the front yard or within Five (5) feet from any side or rear property line or within an utility easement or within a drainage easement or within the rear building line.

O. Noxious Activity and Pets:

No noxious or offensive trade or activity shall be carried on in any part of the property above described which may be or become an annoyance or nuisance to the neighborhood; no animals, livestock or poultry of any kind shall be raised,

bred or kept on any lot, except that dogs, cats, or other household pets may be kept provided they are not kept, bred or maintained for any commercial purposes.

P. Vehicular Sight Distance:

Fences, walls, hedges or shrubs at street intersections and on corner lots shall meet the requirements of the Code of the City of Broken Arrow.

Q. Architectural Design Committee Requirements:

Before obtaining a building permit from the City of Broken Arrow the following requirements and procedures must be followed: No building, fence, wall or any type of structure shall be commenced, erected, or maintained nor shall any addition thereto or change or alteration thereon be made until plans and specifications, plot plan and grading plan therefore or information satisfactory to the Architectural Design Committee shall have been submitted to, and approved in writing by the Committee. In passing on such plans, specifications, plot plans and grading plan, the Architectural Design Committee may take into consideration the suitability of the proposed building or other structure and of the materials of which it is to be built, the site upon which it is proposed to erect the same and the harmony thereof with the surrounding area and the effect of the building or other structure as planned on the outlook from the adjacent or neighboring property. Should plans be submitted and no action taken by the Committee within fourteen (14) days of the submission of said plans, then in such case said plans shall be deemed approved. The members of the Architectural Design Committee shall be Boos Builders, Inc.; Perry Hood Properties, Inc.; David Gibson, Inc., and Homes by Classic Properties, LLC or their duly authorized representatives. In the event of death or resignation of one of the Committee, the remaining member shall have authority to designate a successor. The members of the Committee reserve the right to dissolve the committee by a simple majority vote. In the event of such dissolution, Architectural and Design approval shall rest in the Board of Directors of Pembroke Park Home Owners Association, if such organization is then in existence.

The Architectural Design Committee reserves the right in their sole discretion and without joinder of any owner at any time so long as any of its members are the owner of any lot or part thereof to amend, revise, or abolish, as approved by the Broken Arrow Planning Commission and the Broken Arrow City Council, any one or more of the above covenants and restrictions by instrument duly executed and acknowledged by them as Architectural Design Committee and filed in the County Clerk's office in the Court House of Tulsa County, Oklahoma.

**R. On-Street Parking:<sup>3</sup>**

Vehicles parked on the streets in the addition shall be restricted as follows:

- No vehicle shall park within 5 feet of any mailbox at any time.
- Any vehicle parked in the street must be parked parallel to the curb and in compliance with City of Broken Arrow parallel parking ordinances for distance from the curb.
- Vehicles owned by residents or guests of residents shall park only at the curb in front of that resident's house.
- Any vehicles parked in violation to these guidelines may be deemed a nuisance to the neighborhood in violation of item "O" in this guideline and are subject to towing at the vehicle owner's expense; or fines assessed to the home owner by the HOA Board or their designee; or both.

Note: These restrictions are intended to address regular repeat nuisance parking, not the occasional parking which occurs due to special or seasonal events, or short term house guests. However, the homeowner shall still be considerate of their neighbors rights and property, even in the short-term. Long-term exceptions may be requested and approved by the HOA Board or their designee.

## **SECTION VI HOMEOWNER'S ASSOCIATION**

**A. Formation and Purpose:**

The Owner has formed or shall cause to be formed The Estates at Pembroke Park Owners' Association, Inc.<sup>3</sup> (hereinafter referred to as the "Association"), a non-profit entity pursuant to the General Corporation Act of the State of Oklahoma for the purpose of maintaining the reserve area and common areas within the subdivision, the entrance and borders, enhancing the value, desirability and attractiveness of the Subdivision.

**B. Membership:**

Every person or entity who is the owner of a lot in the Subdivision shall be a member of the Association, and membership shall be appurtenant to and may not be separated from the ownership of a lot. The acceptance of a deed to a lot in the Subdivision shall constitute acceptance of membership in the Association as of the date of recording the deed.

C. Covenant for Assessments:

The Owner and each subsequent Owner of a lot in the Subdivision, by acceptance to a deed therefore, is deemed to covenant and agree to pay to the Association an annual assessment for the maintenance of common areas within the Subdivision, the entrance and borders, enhancing the value, desirability and attractiveness of the Subdivision and for such other purposes as the Board of Directors of the Association shall, from time to time, determine pursuant to a separate Declaration of Covenants and Conditions applicable to the Subdivision and pursuant to the bylaws of the Association.

D. Certain Rights of the Association:

Without limitation of such other powers and rights as the Association may have, the Association shall be deemed a beneficiary of the various covenants contained within this Deed of Dedication to the same extent as all other beneficiaries thereof, including each lot owner, the City of Broken Arrow and the supplier of any utility or other service within the Subdivision, and shall have the right to enforce these covenants and agreements.

The Estates at Pembroke Park Owners' Association, Inc., shall have the power and authority to establish penalties and fines and levy such fines for violations of the protective covenants and restrictions contained herein and shall be so levied and enforced and collected in accordance with this Section and the Bylaws of The Estates at Pembroke Park Owners' Association, Inc. The schedule for fines and/or penalties shall not exceed the following:<sup>3</sup>

	<u>Non-Auto</u>	<u>Auto</u>
First occurrence of a violation:	Written warning	Written warning
Second occurrence of the same violation:	\$50	\$50
