Our neighborhood Little Library is ready for visitors! You can find the library in the common area at the south neighborhood entrance just west of the ponds. Please don't be shy about using the library! Many thanks to Steve Nolen for building it for us.

*Just take a book (or several).

*There is an area at the bottom for children's board books because many are too big for the regular shelves.

*Please add books any time if there is room. If the shelves are full, you can leave donations on my porch at 4208 W. Kent St. Please don't leave donations on the ground by the library.

*Please be sure to close and latch the door after you visit. Steve made the structure weatherproof, but that only works if the door is secure.

That's it! I will maintain the library, and I plan to visit every day. I have created a separate Fb group for the library: The Estates at Pembroke Park Little Library. Please join the group, and I will keep you posted on what's new. I know we need crime novels, so if you have a stack of Lee Child paperbacks, for example, they would be appreciated.

Also, please remember to register your decorated house for our annual "Holiday Lights Contest!" Go to the Estates at Pembroke Park Facebook page by Dec. 20th to register! Voting will begin on Dec. 20th!

Thank you! EPP HOA Board
