

# 10-22 kW

## AUTOMATIC STANDBY GENERATORS

### CHOOSE THE #1 SELLING HOME STANDBY GENERATOR BRAND, NOW FEATURING **FREE MOBILE LINK™** WIRELESS MONITORING

Generac's Guardian Series generators provide the automatic backup power you need to protect your home and family during a power outage. Connected to your existing LP or natural gas fuel supply, it kicks in within seconds of sensing power loss— automatically—and runs for as long as necessary until utility power returns. Choose from Generac's industry leading lineup to power just the essentials or Generac's 22 kW, the largest air-cooled generator in the market for whole-house coverage.

Now coming with **FREE** Mobile Link Wireless Monitoring, allowing you to monitor the status of your generator on a phone, tablet or computer from anywhere in the world. Giving you the ability to connect your account to your authorized service dealer for fast, friendly and convenient assistance.

\*Total harmonic distortion (THD) less than 5.0%—lower than both IEEE standards for utility power and published numbers for competitive air-cooled home standby generators.

#### TRUE POWER™ TECHNOLOGY

Delivers best-in-class power quality with less than 5 percent total harmonic distortion for clean, smooth operation of sensitive electronics and appliances.

#### SMART, USER-FRIENDLY CONTROLS. GENERAC'S EVOLUTION™ CONTROLLER

Features a multilingual LCD display that allows you to monitor battery status and track maintenance intervals to ensure your generator is always in top operating condition.

#### GENERAC'S G-FORCE ENGINES

Are purpose-built, pressure-lubricated engines capable of handling the rigors of generator use, resulting in power that's more reliable and requires less routine maintenance than any competitive engine. Generac's new G-Force engine features hydraulic lifters – improving engine performance and extending the life of the product. (Hydraulic lifters only available on the 13 & 16 kW)

#### QUIET-TEST™ SELF-TEST MODE

Runs at a lower RPM for a five or twelve minute test, making generators significantly quieter than other brands while consuming less fuel.

#### TOUGH, DURABLE ALL-ALUMINUM ENCLOSURES

Our RhinoCoat™ powder-coated finish helps make corrosion-resistant aluminum perfect for all weather conditions.
