

TALK TRUST TREAT

**TRAINING FOR
PROFESSIONALS
DELIVERED BY
YOUNG PEOPLE.**

GETTING SUPPORT FOR YOUNG PEOPLE'S HEALTH RIGHT.

WANT TO ENSURE YOUR SERVICES AND HEALTH SUPPORT IS ENGAGING FOR ADOLESCENTS AND YOUNG ADULTS?

NOT SURE HOW TO ADAPT YOUR APPROACH FOR THE NEEDS OF THIS AGE RANGE?

In this course, you'll gain a greater understanding of the needs and barriers to care for adolescents and young adults. You'll explore how you develop trust and open communications, manage risk and support young people's rights within your service and individual practice.

This course has been co designed, and is co-delivered by young people from the AYPH North-East England young trainers Hub in partnership with Children North East.

This course is suitable for healthcare practitioners and those working in education, social care or youth support who have an interest in young people's health.
