

Flooring Installer

Job Summary

At Capstone Flooring, we pride ourselves in providing quality work from start to finish. Our clients depend on us to have on-time completion, which includes the aesthetic appearance of a clean job site. As a flooring installer, you will play an important part in ensuring client satisfaction from assisting with flooring installations, worksite prep and clean-up, and general help.

Reporting to the Installer on Duty, you will be **responsible for/assisting with:**

- Job site prep and clean-up
- Job site readiness
- Positioning materials for installation
- Cutting and sizing materials
- Assisting with installations

Requirements

- Good communication skills
- Strong attention to detail
- Reliable transportation to and from job sites
- Hardworking and willing to learn other responsibilities
- Ability to read metric (cm) and imperial (inch) measurements
- Physical stamina and strength to perform manual labor tasks
- Familiarity with various hand tools used in construction and maintenance work
- Ability to work independently or as part of a team
- Excellent problem-solving skills to overcome challenges on the job
- Current and valid Manitoba driver's license
- Access to a Vehicle with own hand tools & personal protective equipment (preferred)
- 2+ years of flooring installation experience (preferred)

Compensation:

- \$20-\$25 per hour

- 30-50 hours per week
- Hours will vary by job
