

# **\$\*#% ! I STILL DON'T HAVE A WILL!**

**Bust those myths and set your will action plan  
in one day.**

**You are right where you are supposed to be. You don't need to be rich, old or sick to get your will done.** Forget about the guilt and the worry that you do not have a will today

## **Here's what we'll do together:**

- We will understand why a will is important for you, your family and your business.
- We will address specific myths that stand in the way of getting your will done.
- We will set up an action plan to get your will done.
- There is no shame in the game! This is an inclusive space!

Save your seat using the form on the right, show up for the short and valuable workshop and kick your course into high gear.
