

MIGHTY MAKES IT HAPPEN

Groundsman – Mooresville, NC

At Mighty Services, we don't just show up, we get the job done right. We're looking for a Groundsman who's ready to work, learn, and be part of a crew that takes pride in building and maintaining the infrastructure that keeps communities connected. This is an entry-level position with real opportunity. If you're willing to put in the work, we'll teach you the trade.

What You'll Do

- Support crews on job sites for utility construction projects (fiber, coax, underground work, etc.)
- Handle tools, materials, and equipment safely and efficiently
- Assist with digging, trenching, and site prep
- Maintain a clean and organized job site
- Follow all safety procedures and company standards (non-negotiable)
- Work alongside operators, drill crews, and technicians to keep projects moving

What We're Looking For

- Strong work ethic, this is hands-on, physical work
- Willingness to learn and take direction from crew leaders
- Reliable and on time
- Ability to work outdoors in all weather conditions
- Team player mentality
- Valid driver's license

What You'll Gain

- On-the-job training with experienced crews
- Opportunity to grow into skilled roles (operator, locator, technician, etc.)
- Competitive pay based on experience
- A team that works hard and has each other's back

Physical Requirements

- Ability to lift 50+ lbs regularly
- Standing, walking, bending, and working on uneven terrain
- Comfortable working in outdoor environments year-round
