What Does Your Aura Reveal about You?

THE AURA, AN ENERGY FIELD extending about two feet around the body, has been referred to as "the window to one's soul." All living things, including animals and plants, have an aura made of energy. This energy radiates from the cells and the chakras—which are referred to as "energy centers." This energy produces color vibration. Sometimes you can actually see a glowing color around a person's body. At a metaphysical church where I once worked, I often saw a golden light around the body of a teacher after she completed a meditation. The coloring, shape, and size of the aura can tell many things about a person's personality, disposition, and thoughts. If there are multiple bright colors in the aura, then it shows that the individual has many interests. If there are only two colors in the aura, then often the person is focused on only two aspects in his life. If you are constantly thinking about the future, your aura will extend out in front of you, and become thinner behind you. If you are often thinking about the past, for example—recalling your high school or reflecting on your college days—your aura will extend behind you. There is a tendency for certain cultures to hold their aura in a particular position. Here in the United States, our auras tend to be mostly extended in front of us, showing that our focus is on the future and what's going to happen next. In certain parts of Southern Europe, the aura of the older generation tends to extend behind them, as they remember a better time in the past. The aura reflects your spiritual health, so if you are stressed, angry, or influenced by other's thoughts, this condition will be reflected in the aura as dark colors or bright white. If you are frequently tired, you might be extending your aura out to encompass the whole room. You then pick up energy from others, which lowers your stamina. If you become ill, your aura shrinks in size to assist in the healing process. Shrink-

ing the aura helps to ensure that you don't pick up stray energies. Energy isn't good or bad. It's either yours or not yours. It is as if each person has his or her own brand of fuel or energy. If you put your energy and thoughts into others, it might make them feel good for a while, but eventually they will not feel good because they are not being themselves. Energy works best if you have your own energy in your own aura. Having your own energy in your aura is reflected by vivid or pastel colors. The positioning and size of the aura are not fixed and can change. An aura healing from a clairvoyant reader can release dark colors, holes and tears from the aura, allowing you, the spirit, to heal yourself. Once the spirit heals itself, the body starts to heal itself, hence the saying, "Heal the spirit and the spirit heals the body." You can also learn to heal your own aura. One way of doing this is by learning to read the aura of someone else. When you learn to read someone else's aura, you start to process your own similar experiences. You might become aware of shared experiences. This is called a "Matching Picture." If you fell off a horse when you were 12 years old and the person you are reading also fell off a horse when she was young, then you have found a matching picture. If you feel you have a matching picture with this person, then you can use the psychic tools of grounding or exploding a rose, as practiced in the clairvoyant program, to release the matching picture or thought. You free up your energy from this thought and you feel better at the end of the aura reading. Learn these tools in the Practical Intuition 4-week class or by taking the Six-Month Intuitive Clairvoyant Training Program Tuesdays, Oct. 7-March 2025 from 6:00-8:00 and is taught by Corey Davidson. -Vessa Rinehart-Phillips, Director

FREQUENTLY ASKED QUESTIONS ABOUT THE CLAIRVOYANT PROGRAM

Where do I start? Is there a prerequisite? The 4-week Practical Intuition I Class is recommended but not required. Many people jump right into the Clairvoyant I Program.

How much does the training cost? The program is \$1680- which can be paid monthly over the 6 months. You may also pay \$500 per month for first three months giving you a \$180 discount, Or \$1350 in full on first night—with the last month free(\$280 discount.)

How long and how many hours a week are required and what exactly will I be doing? It's a 6-month program with a weekly schedule: One lecture per week plus a monthly Lab: Clinic Participation. You are encouraged to attend the reading practice as often as you are able. If you take a vacation, you can listen to the recording of the lecture. We can email it to you.

What will I learn? You'll learn "to read." The focus of the curriculum is teaching how to read and work with spirit. You will be able to use the tools you learn in this program out in the "unreal" world.

When do I begin reading? Your participation in the reading practice begins immediately, usually as a "scribe" (the person who sits alongside another reader) and observes. Within the first few weeks you will be reading.

Are my friends going to think I'm crazy? Probably; until they have an issue and then they'll call and ask you to look at something for them—after which you won't be so crazy.

What if I can't see anything? Fine, this isn't uncommon & doesn't last very long. No one has ever flunked this program.

What if I am afraid that I will see and know too much by taking this program? You will learn to manage your psychic abilities--rather than having your abilities run you around. Greater awareness brings a more satisfying, fulfilling life.

What graduates of the Clairvoyant Program are saying:

"In my life I was looking for a deeper spiritual awareness of mankind. This powerful program helped me answer these questions and manifest more in my life." - D. Greenberg

"By taking this program, I realize that I can become a professional psychic or just give a reading to my sister at Thanksgiving." - S.B. Anderhart

"This program changed my life, more certainty, awareness and to finally begin to understand how life & the universe truly works and create the life I want." -M. Upshaw
