

# INTUITIVE INSIGHTS SCHOOL OF INTUITION

**JUNE-JULY 2021**

## The Spiritual Implication of Covid-19

What are the spiritual and physical implications of Covid-19 on us as a society and individually? With the Coronavirus, we are learning about how each one of us handles fear, distance, and isolation. In a time of crisis, the impulse is to go into emergency mode, fear, and panic. On a physical level, when we experience fear, it weakens our immune system and can impair formation of long-term memories, but what about the effects on our souls?

Giving in to those physical impulses often leads to being “stuck on a picture or thought” which leads to mental illness. Imagining harm to you or to a loved one doesn’t help your psyche.

So, how does one get out of this negativity and fear?

You can first imagine exploding the negative thought. Then there are several actions you can take to create the opposite energies which fear produces.

Firstly, you can do things which create a sense of meaning and purpose for you. This can be sending thoughts of positive outcomes to others—whether by visualization in three-dimensions (“*mockups*”-*learned in Practical Intuition*) or by sending energy through time and space to others or by praying and engaging the Supreme Being/God. In other words, “See them as being okay, see the outcome as being the way you want it to be.”

Secondly, you can create love which brings love back to you. How does one accomplish this? It can be in your interaction with other living souls. You can call a friend, pet an animal, see animals out in nature, or even create love by watering a plant. The intention you have is an energy

vibration that radiates from your soul to other souls. Don’t underestimate the power of energy transfer to increase a sense of your own worth. Energy is real.

Thirdly, write down how you can perform an act of kindness today, show appreciation to someone, offer help to others, say thank you, or spend 10 minutes bringing comfort to someone feeling lonely and anxious. What is something kind you can say to someone?

If you feel powerless, remember you have control over many aspects of your life. You have control over your energy and your thoughts by using spiritual tools taught in the Practical Intuition 4-week class or by taking the Intuitive Training Program (formerly called the Clairvoyant Program.)

The benefits of taking a spiritual training program are vast. The next Clairvoyant Intuitive Training Program starts Tuesday, October 6<sup>th</sup> and is taught by Yaila Weddle.

### **FREQUENTLY ASKED QUESTIONS ABOUT THE CLAIRVOYANT PROGRAM**

Where do I start? Is there a prerequisite? The 4-week Practical Intuition I Class is recommended but not required. Many people jump right into the Clairvoyant I Program.

How much does the training cost? The program is \$1680- which can be paid monthly over the 6 months. You may also pay \$500 per month July, August, September giving you a \$180 discount, Or \$1350 in full on first night—with the last month free (\$280 discount.)

How long and how many hours a week are required and what exactly will I be doing? It's a 6-month program with a weekly schedule: One lecture (Monday evenings) plus Clinic Participation. You are encouraged to attend the reading practice as often as you are able. If you take a vacation, you can listen to the recording of the lecture. We can email it to you.

What will I learn? You'll learn "to read." The focus of the curriculum is teaching how to read and work with spirit. You will be able to use the tools you learn in this program out in the "unreal" world.

When do I begin reading? Your participation in the reading practice begins immediately, usually as a "scribe" (the person who sits alongside another reader) and observes. Within the first few weeks you will be reading.

Are my friends going to think I'm crazy? Probably; until they have an issue and then they'll call and ask you to look at something for them—after which you won't be so crazy.

What if I can't see anything? Fine, this isn't uncommon & doesn't last very long. No one has ever flunked this program.

What if I am afraid that I will see and know too much by taking this program? You will learn to manage your psychic abilities-- rather than having your abilities run you around. Greater awareness brings a more satisfying, fulfilling life.

### **What graduates of the Clairvoyant Program are saying:**

"In my life I was looking for a deeper spiritual awareness of mankind. This powerful program helped me answer these questions and manifest more in my life." - D. Greenberg

"By taking this program, I realize that I can become a professional psychic or just give a reading to my sister at Thanksgiving." - S.B. Anderhart

"This program changed my life, more certainty, awareness and to finally begin to understand how life & the universe truly works and create the life I want." -M. Upshaw
