WHY EHRs MISS THIS

- ✗ Cannot access payer grading methodologies
- ✗ Cannot identify hidden compliance penalties
- ✗ Cannot calculate attribution opportunities
- ✗ Cannot identify payer-documented missed services
- ✗ Limited visibility and inconsistent reporting
- ✗ Administrative burden and staff overload

VS.

THE YOUNIVERSAL CARE DIFFERENCE

- ✓ AI-assisted quarterly HRAs that identify new medical necessities and care opportunities
- ✓ Patient engagement and care navigation
- ✓ Compliance recovery and quality improvement
- ✓ Free My MD Hub health records for every patient
- ✓ Proactive, continuous performance monitoring
- ✓ Streamlined processes that save time and resources
