

# TECHNICAL DATA SHEET

# DIESEL CONDITIONER

**TRIPAK**<sup>®</sup>  
Super Lubricants

## Product Description

The 5 in 1 Diesel Conditioner is a complete fuel system and injector treatment that restores your engine to like-new operating conditions. Its effective cleaning properties blast carbon deposits and ensure consistent fuel injection.

## Benefits

**Cleans Engine and Injectors.** 5 in 1 Diesel Conditioner has a powerful blend of cleaners that break down and remove carbon build-up to ensure a complete and consistent combustion. Continued use will reduce build-up and increase overall efficiency.

**Lubricates Injectors.** 5 in 1 Diesel Conditioner's special lubricating component replaces and exceeds the benefits lost in ultra-low sulfur diesel.

**Improves MPG (Cetane Booster).** 5 in 1 Diesel Conditioner contains a combination of additives that work together to boost cetane and ensure a consistent fuel injection. The results are an improved MPG and reduced emissions.

**Prevents Microbial Growth.** 5 in 1 Diesel Conditioner keeps fuel fresh by preventing and removing microbial growth in the fuel system. It also separates water from the fuel, preventing further wear and other damage.

**Prevents Fuel from Gelling.** 5 in 1 Diesel Conditioner has effective cold-weather properties that prevent diesel from gelling in cold temperatures.

## Directions

Add 1 oz. for every 10 gallons directly into your fuel tank. Use every fill-up for best results. Effective in ultra-low sulfur diesel.

## Specifications

**Specific Gravity:** Range 0.834 - 0.854 @ 75°F/23.9°C

**% H<sub>2</sub>O:** Not to exceed 0.25% (2500 PPM)

**Colour:** Light brown

**Odour:** Yes

**Solubility in water:** Soluble

### Composition:

Extreme pressure lubricants

Petroleum carriers

Contains combustion control additives

Corrosion inhibitors

(Specifications may vary ± 3%)

## Applications

- Pickup trucks
- Semi-trucks
- Tractors
- Combines
- Harvesters
- Excavators
- Bulldozers
- Recreational Vehicles
- Diesel Racing
- Diesel Generators
- Boats
