Mama Ann's Deli and Bakery

4359 Town Center Blvd., #111, El Dorado Hills
916-939-1700

Mama Ann's Deli and Bakery is about more than just business - it's about family.

Owners, Tony Morabito and sister Tina Schiff, tell their customers that their goal is to bring people, especially families, together - and they use their food as a vehicle to do just that. "Growing up, our mother stressed the importance of the family meal," says Schiff. "We thought the best way to honor our mother was to use our family recipes and to create a first rate Italian delicatessen. Every day, the smells of our food remind us of our mom," says Morabito. Mama Ann, who lived in El Dorado Hills, would have been proud.

Morabito and Schiff are looking for lifetime customers, and they offer excellent value meals while providing "Mom and Pop" style neighborly service. Literally, everything on the menu is outstanding. Popular picks include the famous meatball sandwich, the take-n-bake lasagna, the tender chicken parmigiana and the best eggplant parmigiana around. All of their meals feature their family's 100-year-old meat sauce recipe.

Mama Ann's Sicilian, Godfather and Paisano deli sandwiches are all made on fresh bread rolls baked at the deli. They also make an array of breads and specialty Italian desserts like cannolis, napoleons and tiramisu. Looking for something cold this summer? Try a gelato ice cream. Authentic pizza is soon to be offered as well.

Mama Ann's has indoor and outdoor seating in an Old World Italian ambience that is truly marvelous. They are located in Town Center in El Dorado Hills, at Latrobe and Highway 50. So, whether you like to sit and enjoy - or pick up and go, Mama Ann's is your place for quick and yummy lunches, family-style dinners, scrumptious coffee and pastries, and even top-rate catering. Now "that's a good one!" ①
