Amazing Show

Wickhamford Sports club Evesham"

Christopher Gee is the epitome of high entertainment
He sums up what it means to be the best in the business.

I have worked with him on a few vessels now with a varying demographic. On Marco Polo In 2016 he wowed British Isles audiences with hilarious renditions of classic actors from the big and small screen. Guests experienced a somewhat re-creation of their funny bones as Chrissy turned silver fox seventy year olds in to giggling school children!

In 2017 I was lucky enough to work with Chrissy again on the MV Columbus. Not only did he do the most unbelievable impersonations I have ever seen, but he worked to the audience.

We had a multi-generational cruise with audiences varying from 5 years old to 80 years old. Through sheer performance genius he tailored his material to the audience and again they celebrated his artistry.

At the end of 2017 he embarked on a 54 day cruise on the MV Astor.
The guests could not get enough of him,

He created such a buzz on the ship I just did not want him to leave.

Also the market is very different on the Astor summer season as well as a few British, the majority of clientele are Australian and New Zealanders.

Christopher studied their mannerisms , learnt their humour and once again over whelmed the crowd with witty humour, fantastic jokes with precise relevance to the exact audience in front of him.

Christopher Gee is by far the best Comedian i have ever worked worked with and Impressionist as well.

Australians love him , Kids love him , The oldies love him and younger generation too.

He provides Shows , Quizzes , Comedy lectures and is a joy to have in a team.

He supports the onboard Entertainment Team and it is an honour to work with him.

Katy Syrett - Cruise Director
MV ASTOR 2017 and 2018
