** CONFETTI, TOILET PAPER, ETC: A clean-up fee of \$250 may be assessed for confetti, toilet paper and similar products. Please discuss specifics of your show and fee with venue house manager.*

PARKING & LOAD-IN

Our parking area is very specific. Parking arrangements will be confirmed after talking with our Production Manager.

LOAD-IN | TEMPORARY PARKING *(see graphic on the next page)*

Load-in is temporary parking. Once equipment is unloaded, vehicle(s) will be moved to permanent parking for show.

WHEN TRAVELING FROM THE EAST

- Take Chestnut Expressway to Jefferson St. and take a left

WHEN TRAVELING FROM THE WEST

- Take Chestnut Expressway to Jefferson St. and take a right

IF VEHICLE LENGTH (INCLUDING TRAILER) IS LESS THAN 30'

- Take Jefferson St. to Park Central East and turn right
- From Park Central East, take 1st right onto Robberson Ave (small alleyway)
- Immediately pull as close as possible against the red brick building on your right, between the power poles. Pull up enough that the back of your rig is off the sidewalk. *(see "A" on graphic)*
 - Unload will occur there, roll cases west on the sidewalk approx. 80' through the sidewalk patio rolling gate, through the overhead door, and onto the stage. *(see "E" on graphic)*

IF VEHICLE LENGTH (INCLUDING TRAILER) IS MORE THAN 30'

- Take Jefferson St. to Elm St. and turn right
- From Elm St., take 2nd right onto Robberson Ave (small alleyway)
- Take Robberson Ave, crossing Pershing St., Walnut St., McDaniel St. and Park Central East
- Immediately after crossing Park Central East pull over as close as possible against the red brick building on your right and between the power poles. Pull up so back of your rig is off the sidewalk. *(see "A" on graphic)*
 - Unload will occur there, roll cases west on the sidewalk approx. 40' through the sidewalk patio rolling gate, through the overhead door, and onto the stage. *(see "E" on graphic)*

IF VEHICLE EMITTING EXHAUST AND YOU'RE UNABLE TO TURN IT OFF, PULL FORWARD TO "B" on graphic

IF DRIVER MUST LEAVE PRIOR TO UNLOAD, GO STRAIGHT TO OLIVE ST *(see "C" on graphic)* AND PUSH FROM THERE

SHOW PARKING

OPTION 1 *(see "C" on graphic)*

- After unloading, take Robberson Ave to the next cross street (Olive St.)
- Turn left on Olive St.
- Immediately pull over to the right against the curb and park.

OPTION 2 *(see "D" on graphic)*

- Turn right on Olive Street
- Immediately turn right again into the 'Holland Building Parking Lot'
- Proceed on parking lane and navigate half-way through left turn circle drive pulling against red brick building - 307
- Back-up with rear of vehicle parking close to green ground transformer
- Front of vehicle will be within 5' to 12' of single 40" glass door of red brick building (talent and staff only entrance)
- There is space for up to two buses and trailers side-by-side.

UNLOADING + PARKING
